## Focus Sessions

A single focus session can help you stay on a consistent course of added productivity throughout your day. This is a great tool for busy business or the Professional Technologist.

You've probably heard the old adage...

## Chapter Three

### Your Peak Energy Time

## The Planner

The one is detailed planner who is always organized on detailed plans, lists and notes. The one with no deadlines and always makes it for the list of the day.

Planners are not very spontaneous, however, and with another thing or working outside the box, difficult to contribute to group planning because they are more likely to think about the topic in detail.

## The Visualizer

You're the one who needs to juggle multiple projects to increase interest. You're full of ideas and are keeping projects, but often have difficulty moving them and/or others may be confused because you often end projects going in a circle. You become an over-achiever.

You are spontaneous, creative thinker and can be a disrupter and welcome change. You can easily be distracted by focus on the end result in response to which lead up to that end result.

When working with groups of people, they often are good at their own projects & they often are able to move on to the next project and are quick to move on.

For Visualizers, listening skills and hearing needs to be improved and those without growing too fast and too
