Yad Vashem in Jerusalem is the global center for Holocaust education, remembrance, research and documentation. The book pays tribute to the fortitude of the human spirit. The shown 100 drawings and paintings a representative core of Yad Vashem's art collection were created in the camps, the ghettos in hiding and by partisans. These rare artworks by some 50 artists, half of whom were murdered, reflect the tension between the cruel reality the artists experienced and their desire to take flight. Presented thematically and supported by substantial research on the annals of the artists the artworks shed light on the artists' experience under the harshest of circumstances. **The New Yorker**, 2007      **The New York Times Magazine**, 2010      Stanford, 2004
