## **Catholic Answers To Protestant Questions A Concise Summary:**

**Catholic Answers to Protestant Questions** John Pasquini, 2003-05-06 Catholic Answers to Protestant Questions is a must read for those seeking to grow in their Catholic identity. Here are just a few of the questions that are covered in this book: Where did the Bible come from? Was Christ or Constantine the founder of the Catholic Church? Was Peter the first Pope? What do Catholics mean by being born again and why do they baptize children? Where do Catholics find the seven sacraments in the Bible? Why do Catholics believe in the Eucharist as the Body and Blood of Christ? Why do we need a priest to forgive serious sins? What are indulgences and why are they needed? Where can we find a priest being referred to as Father in the Bible? Do Catholics worship saints? What is the communion of saints? Is Mary the Mother of God? Did Jesus have brothers and sisters? Was Mary assumed into heaven? Is there a purgatory? Is there a rapture? Is salvation assured? Are we justified by faith alone or by faith and works? Do Catholics practice idol worship?

In **W E Sangster Herald of Holiness** Andrew Cheatle explores this great Methodist preacher's understanding of what it means to live a holy life in the context of a world torn apart by two global wars and the looming threat of nuclear destruction. Sangster turned for inspiration to John Wesley's view of salvation that included a full restoration of the moral image of God in this life. Was Wesley scriptural? Was he too optimistic or had he understood the heart of the gospel? Sangster approached these questions from the perspective of twentieth century scientific and theological thought. His aim was to recover the meaning of holy living for a church in a world of crisis.
