Measurement in Social Psychology Hart Blanton,LaCroix Jessica M.,Webster Gregory D.,2018-10-25 Although best known for experimental methods social psychology also has a strong tradition of measurement This volume seeks to highlight this tradition by introducing readers to measurement strategies that help drive social psychological research and theory development The books opens with an analysis of the measurement technique that dominates most of the social sciences self report Chapter 1 presents a conceptual framework for interpreting the data generated from self report which it uses to provide practical advice on writing strong and structured self report items From there attention is drawn to the many other innovative measurement and data collection techniques that have helped expand the range of theories social psychologists test Chapters 2 through 6 introduce techniques designed to measure the internal psychological states of individual respondents with strategies that can stand alone or complement anything obtained via self report Included are chapters on implicit elicitation and diary approaches to collecting response data from participants as well as neurological and psychobiological approaches to inferring underlying mechanisms The remaining chapters introduce creative data collection techniques focusing particular attention on the rich forms of data humans often leave behind Included are chapters on textual analysis archival analysis geocoding and social media harvesting The many methods covered in this book complement one another such that the full volume provides researchers with a powerful toolset to help them better explore what is social about human behavior

It's Not Like It's a Secret Misa Sugiura,2017-05-09 Winner of the Asian Pacific American Award for Young Adult Literature 2018 YALSA Best Fiction for Young Adults 2018 Rainbow Book List A Kirkus Reviews Best Book of 2017 Well paced brimming with drama and utterly vital Kirkus starred review This charming and bittersweet coming of age story featuring two girls of color falling in love is part To All the Boys I ve Loved Before and part Simon vs the Homo Sapiens Agenda Sixteen year old Sana Kiyohara has too many secrets Some are small like how it bothers her when her friends don t invite her to parties Some are big like the fact that her father may be having an affair And then there s the one that she can barely even admit to herself the one about how she might have a crush on her best friend When Sana and her family move to California she begins to wonder if it s finally time for some honesty especially after she meets Jamie Ramirez Jamie is beautiful and smart and unlike anyone

Sana's ever known There are just a few problems Sana's new friends don't trust Jamie's crowd Jamie's friends clearly don't want her around anyway and a sweet guy named Caleb seems to have more than friendly feelings for her Meanwhile her dad's affair is becoming too obvious to ignore Sana always figured that the hardest thing would be to tell people that she wants to date a girl but as she quickly learns telling the truth is easy what comes after it though is a whole lot more complicated
