Your are my whole Earth: A Daddy's Love For His Sons Aaron Ryan,2025-12-17 Kids don t need Fathers They need Dads They need heroes to rise up and value them above everything else In this moving parenting book for dads Aaron Ryan shares candidly about being a daddy about the relationship between dad and son and the responsibilities it carries Part nonfiction encouragement for fathers part vulnerable and transparent love letters to his two sons this book on parenting for fathers is a moving clarion call addressing the critical need for fathers who will rise up to the challenge of being not just a biological father but someone s daddy In the field of books about being a good father this book shows in very tangible ways why every kid needs a dad From the bestselling author of two award winning series the Dissonance alien invasion saga and The End Christian dystopian trilogy comes a heartfelt tribute to the critical role Dads play in the lives of their sons

Historical Dictionary of Science Fiction in Literature M. Keith Booker,2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject *Science Fiction and Fantasy Book Review* Neil Barron,R. Reginald,2009-11-01 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litterateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own *The Academy and Literature* ,1904 *Chapter Book & Novel Units* ,1999
