This knowledge also provides a roadmap for understanding and supporting students who might be struggling in reading or writing thus providing real time assessment. Lifting print from the page is an essential skill for all readers and providing both instruction and practice are critical. To support this The Phonics Handbook includes six easy to use application routines that once established can enhance any instructional phonics program extend instruction with opportunities for students to apply what they've learned serve as replicable routines for immediate and ongoing practice support differentiation through side work and small or large group instruction.
