**The Meaning of Myth in Uncertain Times** Evelien Bracke, 2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times not only in popular culture but also in sociocultural and political debates. It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical, technological and ecological issues we are facing and our potential futures. Classical myths like those of Achilles, Medea and Odysseus are everywhere from films and novels to social media and games. But how and why are we still fascinated with them particularly now? Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today? This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths, despite their ancient origins, are surprisingly meaningful in these times of uncertainty. Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media. This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century. *The Meaning of Myth in Uncertain Times* is suitable for students, scholars, teachers and general readers interested in mythology and ancient Greek and Roman history and culture, providing insights that are relevant to the challenges we all face today.

**Fat Talk** Virginia Sole-Smith, 2023-04-25 NEW YORK TIMES BESTSELLER A Book Riot best book of 2023 A Science Friday best book of 2023 An Audible best well-being audiobook of 2023 By the time they reach kindergarten, most kids believe that fat is bad. By middle school, more than a quarter of them have gone on a diet. What are parents supposed to do? Kids learn as we've all learned that thinness is a survival strategy in a world that equates body size and value. Parents worry if their kids care too much about being thin but even more about the consequences if they aren't. And multibillion-dollar industries thrive on this fear of fatness. We've fought the war on obesity for over forty years and Americans aren't thinner or happier with their bodies. But it's not our kids or their weight who need fixing. In this illuminating narrative, journalist Virginia Sole Smith exposes the daily onslaught of fatphobia and body shaming that kids face from school sports, doctors, diet culture, and parents themselves and offers strategies for how families can change the conversation around weight, health, and self-worth. *Fat Talk* is a stirring, deeply researched, and groundbreaking book that will help parents learn to reckon with their own body biases, identify diet culture, and empower their kids to

navigate this challenging landscape Sole Smith draws on her extensive reporting and interviews with dozens of parents and kids to offer a provocative new approach for thinking about food and bodies and a way for us all to work toward a more weight inclusive world [Tell Me How You Really Feel](#) Betty Cayouette,2025-04-24 Maeve and Finn the electric co hosts of the smash hit podcast Tell Me How You Really Feel have just snagged the deal of a lifetime There s only one tiny inconvenient problem they can t stand each other Quitting isn t an option Which means Maeve and Finn must fake their on air chemistry to keep the show at the top of the charts But what happens when pretending to get along feels more real than not Tune in to find out if sparks will fly or fizzle out \_\_\_\_\_ Authors adore Betty Cayouette s romance novels A sweet and heartfelt romance Hannah Grace Sunday Times bestselling author of Icebreaker A dreamy utterly transportive vacation in book form Amy Lea international bestselling author of Exes and O s The ultimate second chance romance Annabel Monaghan Heartache history and loads of chemistry on every page Bridget Morrissey A total delight Julia Argy Dazzles with second chance romance so sweeping it s picture perfect Emily Wibberley and Austin Siegemund Broka A romantic exploration of love friendship miscommunication and growing up Hanna Halperin [Lights Out](#) Navessa Allen,2025-11-13 A special edition hardback of the New York Times bestselling viral TikTok sensation now with sprayed edges and gorgeous exclusive endpapers I want someone with a soul as black as night Someone who would burn the world down for me and not lose a single minute of sleep over it Trauma nurse Aly escapes her hard working days by thirsting after masked men online To her nothing could top the fantasy of her favorite tattooed and masked man hunting her down But she never could have guessed that one drunken text would turn those dreams into reality I want things most people don t craving darkness and depravity instead of light and love Josh has spent his life avoiding the limelight but his online persona is another story At night he posts masked thirst traps for his millions of fans until one follower catches his eye Aly Together Aly and Josh live out their darkest fantasies unaware that Aly has captured the attention of someone with far more sinister intentions As Josh turns from predator to protector he must ask himself how far he ll go for the woman he can t live without Lights Out is a fast paced dark romance with a morally grey male lead Some themes and scenes may be disturbing to readers Please check the content warning at the beginning of the book 18 mature content Not suitable for younger readers Readers LOVE the No 1 New York Times bestseller Lights Out Hilarious and wickedly sexy Yes Josh is a bit of a stalker but he s a golden retriever one I absolutely adored this book perfect in every single way Josh and Aly are both magnificent and the spice is next level Really fun made me laugh so many times I lost count Quite literally perfect I wanted something spicy but fun and it more than delivered Proving that a dark romance can still have humour dark of course PERFECTION Love Lights Out Caught Up the second book in the Into Darkness trilogy is out now Lights Out No 1 New York Times bestseller April 2025 [Drive](#) Kate Stewart,2024-09-19 Two days One playlist And the long road home with her past in the rear view mirror From Kate Stewart the bestselling author of The Ravenhood Trilogy comes an angsty steamy journey filled with love loss self
