The Woman's Hand Paul Gordon Schalow, Janet A. Walker, 1996 This volume has a dual purpose It aims to define the state of Japanese literary studies in the field of women's writing and to present cross cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature Chinese Scholars on Western Ideas about Thinking, Leadership, Reform and Development in Education Sylvester Chen, Michael Kompf, 2012-12-24 This collection of papers by a group of Chinese educational administrators came about through a graduate study program that facilitated comparisons of educational practices from other cultures against the backdrop of globalization Collaborative international programs allow contrast and comparisons of practices policies and educational principles but are not without barriers faced by candidates which can include but are not limited to culture shock and communication and language adjustments Comparisons of international educational institutions are telling when examined through transfer credit policies degree recognition institutional accreditation and the value of academic credits in a globalized educational marketplace China and Chinese educators recognize that movement and take it most seriously as demonstrated by the group of educational ambassadors who have contributed a variety of perspectives and interests to this volume They are a new wave of thinkers whose studies embrace their native culture and open minds to alternative ways of understanding and acting on rapidly changing educational circumstances for learners teachers and administrators **Reading China Against the Grain** Carlos Rojas, Mei-hwa Sung, 2020-10-28 Through an analysis of a wide array of contemporary Chinese literature from inside and outside of China this volume considers some of the ways in which China and Chineseness are understood and imagined Using the central theme of the way in which literature has the potential to both reinforce and to undermine a national imaginary the volume contains chapters offering new perspectives on well known authors from Jin Yucheng to Nobel Prize winning Mo Yan as well as chapters focusing on authors rarely included in discussions of contemporary Chinese literature such as the expatriate authors Larissa Lai and Xiaolu Guo The volume is complemented by chapters covering more marginalized literary figures throughout history such as Macau born poet Yiling the Malaysian born novelist Zhang Guixing and the ethnically Korean author Kim Hak ch l Invested in issues ranging from identity and representation to translation and grammar it is one of the few publications of its kind devoting comparable attention to authors from Mainland China authors from Manchuria Macau and Taiwan and throughout the global Chinese diaspora *Reading China Against the Grain* Imagining Communities is a rich resource of literary criticism for students and scholars of Chinese studies sinophone studies and comparative literature *Language Education and Emotions* Mathea Simons, Tom Smits, 2020-10-08 *Language Education and Emotions* presents innovative empirical research into the influence of emotions and affective factors in language education both in L1 and in foreign language education It offers a comprehensive overview of studies authored and co authored by researchers from all over the world The volume opens and ends with backbone contributions by two of the discipline's most reputed scholars Jane

Arnold Spain and Jean Marc Dewaele United Kingdom This book broadens our understanding of emotions including well known concepts such as foreign language anxiety as well as addressing the emotions that have only recently received scientific attention driven by the positive psychology movement Chapters explore emotions from the perspective of the language learner and the language teacher and in relation to educational processes A number of contributions deal with traditional school based contexts whereas others study new settings of foreign language education such as migration The book paints a picture of the broad scale of approaches used to study this topic and offers new and relevant insights for the field of language education and emotions This book will be of great interest to academics researchers and postgraduate students in the field of language education psycholinguistics sociolinguistics and applied linguistics *Chinese Music in Print* YANG YUANZHENG, 2023-01-11 Grounded in a desire to bring back to life rare items from the University of Hong Kong's Fung Ping Shan Library that are entwined within the world of music and to place them in a context of books and images in American British and other Asian collections *Chinese Music in Print* views the library as a repository not of information but of artifact and then uses these artifacts as a means for generating scholarly narrative It begins by assessing seminal texts in the Confucian canon set against the delicacy of the concubine and amanuensis Shen Cai's calligraphy and poetry Confucianism was itself a crucial aspect of courtly life and an exploration of its ritual is the book's second theme Vernacular genres of opera and song are represented in the third chapter while the Great Sage returns in the fourth for an exploration of the repertoire and richness of his favourite instrument the qin The final chapter ends the journey with discussion of the legacy of generations of Europeans who have visited China and their contribution to the understanding of a more vernacular instrument the erhu Like the 2021 exhibition called *Music in Print* that preceded it this exploration of Chinese music history introduces many rare books from the University of Hong Kong Libraries The essays combine professional expertise in musicology with an excellent grasp of traditional bibliography which allows the one to illuminate the other Bravo J S Edgren Princeton University I am most impressed by the critical reading of the author who excels in classical studies whose expertise in calligraphy seals editions and other related disciplines in Sinology is admirable His meticulous investigation into the complicated situation regarding the book printing business of dynastic China is professional and convincing Yu Siu wah chief editor of *Anthology of Chinese Folk and Ethnic Instrumental Music The Hong Kong Volume* Such a wide ranging but meticulously researched book that now contextualizes the dissemination and transmission of music into the discussion of manuscript and printed culture in China will clearly be an important addition to the holdings of libraries supporting Chinese studies and book studies broadly taken as well as those supporting the study of music Obviously it will be of direct importance for specialists in East Asian book studies and for musicologists of East Asian traditions Elizabeth Markham University of Arkansas This beautifully illustrated and carefully edited book is the first English language monograph dedicated exclusively to the history of Chinese music as captured through the medium of print It introduces a host of new

sources and methodologies to the English speaking public fruitfully complicates established narratives of music history and of print cultures in both East and West and offers a vital building block for the creation of a truly global music history Karl Kgle University of Oxford

The Bloomsbury Handbook of Modern Chinese Literature in Translation Cosima Bruno, Lucas Klein, Chris Song, 2023-10-19 Offering the first systematic overview of modern and contemporary Chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in which to read and appreciate the effects of linguistic and cultural transfer in Chinese literary works Translation matters It always has of course but more so when we want to reap the benefits of intercultural communication In many universities Chinese literature in English translation is taught as if it had been written in English As a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other The Bloomsbury Handbook of Modern Chinese Literature in Translation squarely addresses this pedagogical lack Organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more Chinese literary works In doing so it offers new tools for reading and appreciating modern and contemporary Chinese literature in the global context of its translation offering in depth studies about eminent Chinese authors and their literary masterpieces in translation The first of its kind this book is essential reading for anyone studying or researching Chinese literature in translation
