Description

Directions

Remove any hard fibrous stems from the mushrooms and clean carefully by brushing the mushrooms with a damp cloth or mushroom brush to remove excess dirt. Place the mushrooms in a food processor and pulse quickly to chop into small bits.

Heat 2 Tbsp vegetable oil in a large skillet over high heat until hot but not smoking. Add the mushrooms to the pan and sauté until the mushrooms begin to sweat, about 2 to 3 minutes. Add the chopped shallots and ginger and sauté until translucent. Sprinkle in the five spice powder and chopped scallions, season with salt and pepper and stir in the sesame oil. Set aside to cool.

Lay out the egg roll wrappers and cut into 4 equal squares. Brush a square of wrapper with some water, place a dollop of the mushroom mixture in the center and roll the sides of the wrapper inward to enclose the filling. Rolling away from yourself, roll up the wrapper into a cigar shape and enclose the filling completely. Seal the ends with some of the water. Continue to finish filling the wrappers and refrigerate them several hours to firm them before cooking. Heat the oil in a deep skillet to 350° f. Fry the spring rolls, in batches, until crisp.
