**Personal Note From The Author** This book blends 15 years of my experience as a therapist, coach, and trainer supporting people through issues such as anger, depression, stress, anxiety, and relationship concerns. Apart from the usual talk therapy and counselling, I often incorporate experiential approaches in my practice. Depending on our personal experiences, we can relate one way or another to certain characters. The plot can also remind us of certain situations we are facing in our lives. That's why I developed the EDIT method in 2017 to guide
