**Conversations with God, Books 2 & 3** Neale Donald Walsch, 2014-09-01 Neale Donald Walsch didn't claim to be special or spiritually gifted. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them directly through Walsch's pen. And the result was a series of witty, provocative and profound books that have changed the lives of readers around the world. Here in one handsome volume are the second two books in the *Conversations with God* series. In *Conversations with God 2*, Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in *Conversations with God 1*. The pair discusses time, space, politics and even kinky sex. It is an honest look at some of the broad issues important to all of us on the planet. In *Conversations with God 3*, final book of the original three book series, universal truths of the highest order and the challenges and opportunities of the soul. In this volume, the dialogue expands to include more about the nature of God, about love and fear, about who we are and who we may become. Here is also a profound dialogue about the culture, philosophy and spirituality of highly evolved beings, some of whom we presently call aliens or ETs in other realms of the universe and how they have learned to view life, love and the pursuit of happiness.

**Conversations with God, Book 2** Neale Donald Walsch, 2011-12-08 In this expanded paperback edition, Neale Donald Walsch and God resume their discussion and move on to larger topics than the personal issues addressed in *Conversations with God Book 1*. They discuss time, space, politics and even kinky sex. This is an honest look at some of the broad issues important to all of us and an idea about how things might change if we are willing to open our minds and have our own conversations with divinity. This edition includes the 2008 new preface from Walsch and new commentary on each section.

and his Conversations With God series book 1 book 2 and book 3 have all been New York Times bestsellers book 1 for over two years In the Conversations books Walsch shared with his readers the beginning of a sacred relationship as he began an exchange with God on everything from love and faith to life and death and good and evil And then as Walsch recounted in Friendship with God something else extraordinary began to happen His relationship with God began to strengthen and deepen just as our own relationships do into a friendship Now in Communion with God his most richly intimate book yet Walsch discovers how to elevate that friendship to a state of communion In this blueprint for seekers he reveals The Ten Illusions of Man the misconceptions we hold about ourselves and our world and our God He describes with striking clarity how we might heal the great divide that has arisen from these illusions And as he explores the true meaning of bringing God into our everyday lives of having the courage of our convictions Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy a place of communion with God
