This compendium of outstanding read aloud choices for grades pre K-3 will enrich and extend content area instruction, helping busy teachers to meet curriculum requirements within the confines of their busy schedules. It's a familiar and unfortunate story: educators everywhere are being asked to do more teaching with less money, less staff, and less time. One easy way to provide more content area instruction to very young readers is by scaffolding beneficial learning subjects within memorable read aloud.

activities This augments the instructional curriculum and keeps learning fun without adding to the educator's already full plate Read Aloud Scaffold Best Books to Enhance Content Area Curriculum Grades Pre K-3 offers teachers and librarians over 700 content area connections through carefully selected recently published children's trade books These selections include fiction and non-fiction titles that represent outstanding read aloud choices that will augment the instructional curriculum covering subjects ranging from history to holidays to special events and from biographies and memoirs to poetry and character education A Closer Look suggests outstanding read aloud choices related to key units in the curriculum and features discussion points cross curricular activities writing prompts and related online and print materials
