**Halfway to Better (Short Story Collection)** Susan Kaye Quinn, 2024-04-22 Halfway to Better is a collection of short solarpunk stories each exploring a near future where we're struggling to survive the climate crisis and build a better world. These hopeful climate fiction stories take you from the bottom of the sea to the towers of a bot-filled city from sparkling labs to flooded lighthouses all imagining futures halfway to a better world. The Halfway to Better collection contains six short stories plus a bonus prose poem Rewilding Indiana and its accompanying sky shanty. If you enjoyed the optimistic climate solutions in Kim Stanley Robinson's Ministry for the Future or the cozy cooperative future in Becky Chambers' Monk and Robot series you will enjoy Halfway to Better. 1 Slimy Things Did Crawl 2 Tower Girls 3 Planting the Shell Bones 4 Tombs Without Bodies 5 The Day We Stopped Burning 6 I Came Home From Saving the Rainforest **Your Money Or Your Life** Luke Messac, 2023-10-12 A powerful history of how medical debt destabilized the American healthcare system and how we can build back relationships in medicine that benefit everyone **Chicago Bratva Complete Set** Renee Rose, 2023-08-30 DIVE INTO DANGEROUS ROMANCE WITH THE CHICAGO BRATVA This 9 Book set contains the USA Today Bestseller The Director as well as eight other stand-alone romances with guaranteed happily ever afters. This collection draws on fifty interdisciplinary contributions written by some of the leading Latine theatre and performance scholars and practitioners in the United States to highlight evolving and recurring strategies of world-making activism and resistance taken by Latine culture makers to gain political agency on and off the stage. The project reveals the continued growth of Latine theatre and performance through chapters covering but not limited to playwriting casting practices representation training wrestling with anti-Blackness and anti-Indigeneity theatre for young audiences community empowerment and the market forces that govern the US theatre industry. This book enters conversations in performance studies ethnic studies American studies and Latina/o/x studies by taking up performance scholar Diana Taylor's call to consider the ways that

embodied and performed acts generate record and transmit knowledge This collection is an essential resource for students scholars and theatremakers seeking to explore understand and advance the huge range and significance of Latine performance

Introducing Sociology Using the Stuff of Everyday Life Josee Johnston, Kate Cairns, Shyon Baumann, 2025-10-03 The challenges of teaching a successful introductory sociology course today demand materials very different from the norm It is a question of making the practice of sociological thinking meaningful rigorous and relevant to today's world of undergraduates This comparatively concise highly visual and engaging book offers a refreshingly new way forward to reach students using one of the most powerful tools in a sociologist's teaching arsenal the familiar stuff in students everyday lives throughout the world the jeans they wear to class the coffee they drink each morning or the phones their professors tell them to put away during lectures A focus on consumer culture seeing the strange in the familiar is not only interesting for students it is also the authors suggest pedagogically superior to more traditional approaches By engaging students through their stuff this book moves beyond teaching about sociology to helping instructors teach the practice of sociological thinking It moves beyond describing what sociology is so that students can practice what sociological thinking can do This pedagogy also posits a relationship between teacher and learner that is bi directional Many students feel a sense of authority in various areas of consumer culture and they often enjoy sharing their knowledge with fellow students and with their instructor Opening up the sociology classroom to discussion of these topics validates students expertise on their own life worlds Teachers in turn gain insight from the goods services and cultural expectations that shape students lives While innovative the book has been carefully crafted to make it as useful and flexible as possible for instructors aiming to build core sociological foundations in a single semester A map on pages xix xx identifies core sociological concepts covered so that a traditional syllabus as well as individual lectures can easily be maintained Theory method and active learning exercises in every chapter constantly encourage the sociological imagination as well as the doing of sociology This new edition is thoroughly revised and updated incorporating the latest research around material sociology culture and object oriented studies New teaching materials and illustrations are included Online resources to support teaching and learning include Videos flashcards quizzes and further reading Instructor's manual PowerPoints and test bank

**The Impact of Viral TikTok Trends on Today's Supply Chains** Toby Lazear,2022 The advent of social media has changed the way in which consumers shop drastically and in turn the way in which supply chains function TikTok due to its unique design has constructed an environment where products can become viral with much more ease than seen on any prior social platform As a result companies are met with viral videos promoting their products entirely unbeknownst to them and without preparation Supply chains must be agile to continue to meet customer demand in times when products cannot stay on shelves long enough to be marketed This thesis serves to advise future companies with recommendations for best practices when it comes to viral products on TikTok As for the research component much of the information found in the literature review stems from outside sources The thesis then goes on to cover both case studies and interviews to analyze specific instances of TikTok viral products and the resulting impact on brands that have experienced such shockwaves Through the research conducted and conversations held conclusions were able to be drawn leading to exposing common pitfalls companies can fall into when dealing with viral products Trendspotting and social listening constantly are now more important than ever as brands must be able to recognize trends before the public does to change the narrative on their own behalf and prepare behind the scenes from a supply chain perspective Having open lines of communication both cross functionally and throughout the supply chain are crucial to ensure strong relationships and ease of flexibility in the event of disruptions Because of the ever changing and growing platform of the app it is inevitable that more companies will soon be experiencing the same cycle and it is better to know the best practices of preparation than be left playing catch up for years to follow
