once and for all what the social media forum site Reddit can do for you In this revolutionary tell all book we dive deep into the Reddit nuances how to adhere to Reddiquette and how to provide your own community posts We also review marketing on Reddit the do s and don ts of this overlooked social site and how you can get started with your own Reddit profile today If you ve been putting off mastering the art of Reddit and sharing your insight with their welcoming community this book is designed to prepare you moving forward With our Honor Society Strength Honor Guides we are aiming to equip you with everything you need to be successful starting today The Revolution That Wasn't Spencer Jakab,2022-02-01 The saga of GameStop and other meme stocks is revealed with the skill of a thrilling whodunit Jakab writes with an anti Midas touch If he touched gold he would bring it to life Burton G Malkiel author of A Random Walk Down Wall Street From Wall Street Journal columnist Spencer Jakab the real story of the GameStop squeeze and the surprising winners of a rigged game During one crazy week in January 2021 a motley crew of retail traders on Reddit s r wallstreetbets forum had seemingly done the impossible they had brought some of the biggest richest players on Wall Street to their knees Their weapon was GameStop a failing retailer whose shares briefly became the most traded security on the planet and the subject of intense media coverage

The Revolution That Wasn't is the riveting story of how the meme stock squeeze unfolded and of the real architects and winners of the GameStop rally Drawing on his years as a stock analyst at a major bank Jakab exposes technological and financial innovations such as Robinhood's habit forming smartphone app as ploys to get our dollars within the larger story of evolving social and economic pressures The surprising truth What appeared to be a watershed moment a revolution that stripped the ultra powerful hedge funds of their market influence placing power back in the hands of everyday investors only tilted the odds further in the house's favor Online brokerages love to talk about empowerment and democratizing finance while profiting from the mistakes and volatility created by novice investors In this nuanced analysis Jakab shines a light on the often misunderstood profit motives and financial mechanisms to show how this so called revolution is on balance a bonanza for Wall Street But Jakab argues there really is a way for ordinary investors to beat the pros by refusing to play their game

*You Should Quit Reddit* Jacob Desforjes,2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit's r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple

*You Should Quit Reddit* is a paradigm shift in the genre Jacob Desforjes was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit's flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner
