They know what to do to get attention for themselves and more important for their books and as you will discover in book publishing veteran Jan Yager's How to Promote Your Book you can too. The book is divided into three sections. Part One begins with a look at promotion basics. These include knowing what your book's marketplaces are, who your audience is, how the media is divided, the elements involved in publicity and how to create an effective promotional timeline. Once you understand the basics Part Two focuses on the ways to package and market yourself.

Metals Abstracts Index, 1983 **I Didn't Mean to Be Kevin** Caleb J. Ross, 2013-12-08 Jackson Jacoby is a motherless twenty-two-year-old boy with only the support of his crazy ex-military Uncle Marve and a kindred motherless peer named Creg. Creg holds fast to the hope of one day reuniting with his mother while Jackson maintains that his own life is so much better off without all the baggage that comes along with being somebody's son. After finding a plea in a newspaper from a woman begging her runaway son Kevin Masons to return home, Jackson takes the opportunity to prove to Creg that a mother is not necessary to be happy. What begins as a drunken call to the mysterious mother leads to a cross-country pilgrimage to attend the will reading of Kevin's recently deceased grandfather. Along the way, Jackson spreads tales of his participation in the human appendage trade, the history of his missing ear and anything else that might validate his life the way he insists that a mother never could. From I Didn't Mean to Be Kevin: My mother kicked me out when I was ten. I slept on couches, benches in ditches and did everything short of kill house pets in order to eat. My uncle took me in during the worst of it but because I was alone for most

of my life I never had the opportunity to know if what I was doing truly mattered Validation is a basic need in all of us If you don t get it as a kid you try getting it as a teenager If you don t get it as a teenager you try getting it as a twenty two year old deformed vagabond My uncle says I have nomadic roots but that implies roots of some kind I ve never had roots I ve never had a home life to point me where I needed to go I ve never had a destination until recently
