The Dystopian Imagination in Contemporary Spanish Literature and Film Diana Q. Palardy, 2018-07-27 This study examines contemporary Spanish dystopian literature and films in directly related to the 2008 financial crisis from an urban cultural studies perspective It explores culturally charged landscapes that effectively convey the zeitgeist and reveal deep rooted anxieties about issues such as globalization consumerism immigration speculation precarity and political resistance particularly by Indignados Indignant Ones from the 15 M Movement The book loosely traces the trajectory of the crisis with the first part looking at texts that underscore some of the behaviors that indirectly contributed to the crisis and the remaining chapters focusing on works that directly examine the crisis and its aftermath This close reading of texts and films by Ray Loriga Elia Barcel Ion de Sosa Jos Ardillo David Llorente Eduardo Vaquerizo and Ricardo Menendez Salmn offers insights into the creative ways that these authors and directors use spatial constructions to capture the dystopian imagination

The Cyborg Caribbean Samuel Ginsburg, 2023-08-11 The Cyborg Caribbean examines a wide range of twenty first century Cuban Dominican and Puerto Rican science fiction texts arguing that authors from Pedro Cabiya Alexandra Pagan Velez and Vagabond Beaumont to Yasmin Silvia Portales Erick Mota and Yoss Haris Durrani and Rita Indiana Hernandez among others negotiate rhetorical legacies of historical techno colonialism and techno authoritarianism The authors span the Hispanic Caribbean and their respective diasporas reflecting how science fiction as a

genre has the ability to manipulate political borders As both a literary and historical study the book traces four different technologies electroconvulsive therapy nuclear weapons space exploration and digital avatars that have transformed understandings of corporality and humanity in the Caribbean By recognizing the ways that increased technology may amplify the marginalization of bodies based on race gender sexuality and other factors the science fiction texts studied in this book challenge oppressive narratives that link technological and sociopolitical progress

ACM Conference on the History of Medical Informatics, 1987 A Primer of the Novel David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's A Primer of the Novel For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at

advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo
