**No Mo' Broke** Horace McMillon,2011-07 Give More Save More Live More At last a personal finance book for those of us who hate personal finance books What this book is not long dry and dull What this book does is to provide the seven key concepts to financial success from a Christian perspective humorously illustrated and concisely explained

The Game Plan Bryton W Keyes,2020-10-29 In an age where it is easier than ever to search the internet for financial advice it is tougher and tougher to work through the clutter and find good advice Too many people pay little to no attention to their finances and where their money goes This is something that can destroy people over time and prevent them from achieving goals they want to achieve in life We work so hard for our money shouldn't we make it work just as hard as we do Sports can provide a unique approach helping explain concepts to people in many different ways But what about personal finance Do sports offer relevant lessons in how people can improve their spending Cover their risks Invest more wisely I know that sports can bridge the gap between this abstract financial world and reality That's my goal of this book There are many personal finance books out there but what makes this book unique is its intertwining of the worlds of sport and finance Explaining things like

investing or asset allocation in sports scenarios that make it more interesting and relatable than complicated and boring finance talk I want to take personal finance topics and concepts and put them into a sports situation that helps explain the topic in a simple way and make it more fun Because yes you don't need to be a financial whiz to have a solid financial picture Once this book shows you the basics of financial planning through a sports lens you will be surprised how much of it is common sense This book will be your playbook to financial success Time to get off the bench and get in the game Let the training or games begin *Personal Finance in Your 20s & 30s For Dummies* Eric Tyson, 2017-10-27 Create a solid pathway for financial success Millennials often confront greater difficulties including economic uncertainty and student debt than those who came before them This new financial responsibility can be intimidating and many people are unsure where to begin *Personal Finance in Your 20s 30s For Dummies* will help Millennials to be confident about managing their finances and get on a clear path toward financial security Inside trusted financial advisor Eric Tyson shows students and recent grads how to make smart financial decisions in order to pay off student loans avoid any additional debt and create a solid plan to ensure their financial success From avoiding common money mistakes to making informed investment choices *Personal Finance in Your 20s 30s For Dummies* covers it all Build a foundation through smart spending and saving Rent buy or sell a house File taxes the right way Protect your finances and identity in the digital world Get ready to forge your own path to financial security *Gold Ahead* George Samuel Clason, 2012-07 [Focus on Personal Finance](#) Jack R.
