What if you could learn how to heal your injuries pain or illness using only the power of your mind This is essential reading for both those receiving care as well as those who provide it David Perlmutter M D neurologist and New York Times best selling author I highly recommend this book It is empowering and has the ability to transform the way the world sees health and healing Jack Canfield co author of the Chicken Soup for the Soul series and The Success PrinciplesTM A captivating must read this book

unveils the astounding hidden power of the human mind. If you are working on self healing or if you have been struggling for years with your own recovery then you will not want to miss this book. After an unexpected event Brandy Gillmore found herself disabled and desperately searching for answers to heal. She tried every healing approach she could find including special diets, supplements, meditation, and everything in between but to no avail. It wasn't until Brandy delved deeper into the workings of the mind that she discovered obscure research that helped her unlock the mystery of the body's innate healing ability, resulting in her full recovery and a profound transformation in her life. Since uncovering these remarkable findings, Brandy has gained recognition for helping others heal themselves even from extreme illness. She has also demonstrated how to alleviate chronic pain within minutes and documented these results using medical thermal imaging equipment. In this groundbreaking book, you will gain a revolutionary understanding of the body's ability to heal itself. Learn the key factors to activate healing, the 5 Factors for GIFT Mind Body Healing™. Implement a step by step process with powerful tools and techniques that can help you heal and free yourself from mental, emotional, and physical pain. Brandy's journey from having a debilitating, incurable condition to complete recovery is more than inspirational; it can be seen as a blueprint for anyone facing seemingly insurmountable health challenges. Throughout history, for thousands of years, spiritual teachings have documented the mind's remarkable ability to heal. Furthermore, there is medically documented proof that our minds can impact our health in a variety of different ways, such as research on stress or the placebo. This book takes these well-known concepts to an entirely new level to help you understand how to tap into your body's own innate ability to heal itself. Written from a deep sense of mission and love, *Master Your Mind to Heal Your Body* has the ability to change your world by showing you how to harness the greatest gift you have: the power of your mind to heal your body and improve the quality of your life. Get started today and learn how you can be your own cure.
