Wilson, Time travel is messy. And when your roommate is lost somewhere in the timeline it gets even worse. Simon's missing and it's all my fault. I've been bouncing through centuries like I'm on some kind of magical rollercoaster trying to find him. But when I finally discover a wooden device that helps me control where I go Prentiss the vampire nightmare I can't seem to shake steals it. And he's not alone. He's teamed up with a tall creepy guy from the Chronomancers and together they want to rewrite time itself. Now I have no way of pinpointing Simon and every leap through time feels like a gamble. If I can't get the device back not only will I lose Simon for good but Prentiss and his new ally could change the past and future in ways I can't even imagine. Time's running out and this time I can't afford to lose. **Computer Gaming World**, **Misfit Academy: Semester One** R.L. Wilson, 2023-03-23 Welcome to Misfit Academy Correction I think Welcome to Mage Academy If someone would've told me three months ago that this is where I'd find myself I would've called them a liar. Yet here I am. All I did to earn this spot was time travel and accidentally depending on who you ask burned my foster mom's house down. Long story short she kicked me out. That's how I ended up here at the worst place on earth. Not only am I not welcomed with open arms at my new home but I'm the only time traveling witch who doesn't know which coven I belong to. Even worse than that someone is trying to frame me for a curse I couldn't have cast. I'm supposed to avoid drama but this place is full of it. No matter what I say or do I can't help but run into it. Chaos is the soup du jour around here. If I'm not careful my time here could be much more difficult than

anything I've ever been through. The question is will all the drama be worth it in the end or is it just the beginning of something much worse. This is an upper YA NA Slow burn Academy Romance with no need to choose. The steaminess increases throughout the series. **Books and Bookmen**, 1968
