Chasing Aphrodite Chasing Aphrodite:

Summary of Jason Felch & Ralph Frammolino's Chasing Aphrodite Everest Media,2022-05-18T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 1964 the fishing trawler Ferruccio Ferri was trawling the waters off Italy's east coast when it caught a patch of gold colored metal The crew decided to sell it and split the profits 2 The crew brought the statue ashore on a handcart and took it to the house of Pirani's cousin who owned the boat The statue began to smell of rotting fish and the cousin moved it to a covered garden patio Several local antique dealers came to look at it but they wanted more money 3 In 1966 the statue was found in a church in Gubbio and hidden by Father Giovanni Nagni It was seized by the Carabinieri in 1968 but the conviction was overturned in 1968 In 1966 it was sold to a Luxembourg based art consortium called Artemis 4 When the bronze athlete came his way Getty was a shrunken decrepit man He hardly filled out the suit and tie he had worn since his teens His heavily lidded eyes framed by jowly cheeks gave him a perpetual scowl He kept his thoughts hidden behind a stony exterior **Chasing Aphrodite** Jason Felch,Ralph Frammolino,2011-05-02 In recent years several of America's leading art museums have voluntarily given up their finest pieces of classical art to the governments of Italy and Greece The monetary value is estimated at over half a billion dollars Why would they be moved to such unheard of generosity The answer lies at the Getty one of the world's richest and most troubled museums and scandalous revelations that it had been buying looted antiquities for decades Drawing on a trove of confidential museum records and frank interviews Felch and Frammolino give us a fly on the wall account of the inner workings of a world class museum and tell the story of the Getty's dealings in the illegal antiquities trade The outlandish characters and bad behavior could come straight from the pages of a thriller the wealthy recluse founder the cagey Italian art investigator the playboy curator the narcissist CEO but their chilling effects on the rest of the art world have been all too real as the authors show in novelistic detail Fast paced and compelling Chasing Aphrodite exposes the layer of dirt beneath the polished facade of the museum business *Chasing Aphrodite: Removing Hubris from the Sacred* Joyce M. McCart,2015 **Chasing Aphrodite** Emil Rem,2021-12-02 St George was still pouting When he looked at him again through the rear view mirror the Saint reminded him of the Saracen As he gazed out at the revelers on the beach he was transported to a beach in Africa where a native boy peered at him from behind a sand dune much as he had spent his life peering at the alien world around him trying in vain to understand it to make it more manageable And so he oscillated between the past and the present the past so dangerously more real **The Palgrave Handbook on Art Crime** Saskia Hufnagel,Duncan Chappell,2019-06-27 This handbook showcases studies on art theft fraud and forgeries cultural heritage offences and related legal and ethical challenges It has been authored by prominent scholars practitioners and journalists in the field and includes both overviews of particular art crime issues as well as regional and national case studies It is one of the first scholarly books in the current art crime literature that can be utilised as an immediate authoritative reference source or teaching tool It also includes a
