Tracy Whitney never thought she wanted to settle down. With her suave and handsome partner Jeff Stevens, she'd been responsible for some of the world's most astounding heists, relishing the danger and intensity of life on the wild side. But there is still one thing missing from Tracy's perfect life: a baby. At first, going straight feels like a new adventure. But as the months pass and Tracy's longed-for pregnancy doesn't happen, she finds herself yearning for the adrenaline rush of the old days. When a mysterious and beautiful stranger enters their lives, Tracy and Jeff's once unbreakable partnership is suddenly blown wide open. Jeff wakes one morning to find Tracy gone, vanished without a trace. For more than a decade, a broken Jeff struggles to carry on, knowing Tracy is out there somewhere. But the rest of the world believes Tracy Whitney is dead until a series of murders leads a tenacious French detective to her doorstep. Eleven victims in ten different cities over nine years, all of the cities where Tracy pulled off some of her most brilliant capers. Someone is targeting her, manipulating a series of disturbing events and raising terrifying ghosts she thought were dead and buried. Once again, this clever woman finds herself out on the edge, playing the odds in a desperate game of roulette. But this time, she's got everything to lose, including the man she cannot forget. Tomorrow has come at last. But it isn't the future Tracy bargained for.

Whitney of *If Tomorrow Comes* and Sidney Sheldon's *Chasing Tomorrow* is back with another story of heart stopping twists and breathtaking action. Once upon a time Tracy Whitney was one of the best thieves in the business. Then she settled down, had a baby, and planned to spend the rest of her days quietly living anonymously, devoted to her son. But tragic news has forced Tracy to face her greatest nightmare. Now with nothing left to protect, she returns to the hunt, and she's more dangerous than ever. Tracy is not the only woman with a dark and dangerous past. The world faces a new terror threat from a group of global hackers intent on the collapse of capitalism and private wealth and the creation of a new world order. When this group turns to violence with deadly effect, the mysterious woman pulling their strings becomes the CIA's public enemy number one. Only one clever and ruthless woman is capable of tracking down the terrorist Tracy. But as Tracy discovers the truth, it proves as elusive as her target. Hampered by corruption and enemies masked as allies, Tracy will be pushed to the brink where she must face her darkest demons. But just how reckless will a person become when she has nothing left to lose?

Gone to Green Series Bundle, Gone to Green, Goodness Gracious Green & Glory of Green - eBook [ePub] Judy Christie, 2014-02-04. This bundle contains *Gone to Green*, *Goodness Gracious Green*, and *The Glory of Green*. *Gone to Green*: When Lois goes from being a corporate journalist at a large paper in the Midwest to the owner of *The Green News*, a small twice-weekly newspaper in rural North Louisiana, her orderly life starts to unravel. The paper was an unexpected inheritance from a close colleague, and Lois must keep it for at least a year, bringing a host of challenges, lessons, and blessings into her life. Whether fighting a greedy, deceitful politician or rescuing a dog, she fears Lois notices the headlines in her life have definitely improved. She learns how to provide small-town news in a big-hearted way and realizes that life is full of newsworthy moments. When she encounters racial prejudice and financial corruption, Lois also discovers more about the goodness of real people and the importance of being part of a community. While secretly preparing the paper for a sale, Lois begins to realize that God might indeed have a plan for her life and that perhaps the allure of city life and career ambition are not what she wants after all. *Goodness Gracious Green*: The charming and uncertain journalist is delighted with her decision to keep *The Green News*, excited about the possibility of romance with her good-looking catfish farmer neighbor, and the growth of her faith and friendships. Her second year in Green has scarcely been rung in, though before Lois is wrung out. The former owners of the paper want it back. The mayor's dog bites her on the face. A series of fires threaten Lois. And while her friends blossom, Lois feels wilted. Although Lois finds fresh hopes turning stale in her second year in Green in the midst of challenges and lessons, Lois's journey still explodes with possibilities. *The Glory of Green*: With wedding plans well underway, Lois Barker plots to gracefully get rid of her groom's catfish collection, stuffed ceramic woven. Her husband, to be Chris, on the other hand, has decided to get rid of something else: his homestead, which he gives to a needy Mexican family at church. Life is full of possibilities, and the community of Green is tickled pink that their newspaper owner is settling down with one of their own. However, the beloved small-town journalist is about to be blown away by tragedy and by
