**Handbook of Research on Critical Issues and Global Trends in International Education** Barker, Megel R., Hansen, Robyn Conrad, Hammer, Liam, 2023-11-24 The Handbook of Research on Critical Issues and Global Trends in International Education addresses the growing complexity and diversity of international schools by examining the critical issues and global trends faced by practitioners in this field. With a lack of research on the experiences and actions of school practitioners in these isolated workplaces this book aims to provide practical and evidence based solutions. The book covers a wide range of topics including equity and access diversity teacher retention legal frameworks school typology governance cultural competence third culture kids leadership and practice technology and parent engagement. Written by educational professionals researchers and anthropologists it offers a unique collection of voices from those with lived experiences in this field making it an invaluable resource for anyone interested in gaining a deeper understanding of the international school sector. Whether you are an educator researcher policymaker school leader lecturer or anthropologist the Handbook of Research on Critical Issues and Global Trends in International Education is a must read comprehensive guide to the complexities and challenges of international education providing practical solutions for improving the quality of education in this rapidly evolving field. If you are looking to gain a nuanced understanding of the critical issues facing international schools and evidence based approaches for addressing these challenges this book is the perfect resource for you.
