Angie Jordan's time as a demon hunter proves two things to her. One, hunting is not her destiny. And two, she's not getting out of the demon world any time soon. The only shining light in that darkness having Sebastian back. But after trouble last Halloween broke open new powers for Angie, controlling her growing magic proves too challenging to face alone. Her only hope at mastering the demon witch magic before it overwhelms her rests within the capable hands of her first mentor and teacher. And that requires a trip home to New Mexico. Returning to her family brings unexpected dangers. Threats Angie thought she left behind in New York. And a confrontation with a mysterious enemy who threatens all those she loves. Pushed into a corner, Angie will protect those closest to her no matter the cost. But even Sebastian's help might not be enough against their current enemies. And when Angie must face her worst nightmares, the biggest threat to those around her might not be the demons. The biggest threat might be her.

Questions and a new demonic threat. When allies become enemies and enemies become allies, Angie must question everything she thought she knew about herself and those around her.
