Readers Choice Myth Retelling Novel:

Books to Build On E.D. Hirsch, Jr., 2009-10-14 The invaluable grade by grade guide kindergarten sixth is designed to help parents and teachers select some of the best books for children Books to Build On recommends for kindergartners lively collections of poetry and stories such as The Children's Aesop and imaginative alphabet books such as Bill Martin Jr's Chicka Chicka Boom Boom and Lucy Micklewait's I Spy An Alphabet in Art for first graders fine books on the fine arts such as Ann Hayes's Meet the Orchestra the hands on guide My First Music Book and the thought provoking Come Look with Me series of art books for children for second graders books that open doors to world cultures and history such as Leonard Everett Fisher's The Great Wall of China and Marcia Williams's humorous Greek Myths for Young Children for third graders books that bring to life the wonders of ancient Rome such as Living in Ancient Rome and fascinating books about astronomy such as Seymour Simon's Our Solar System for fourth graders engaging books on history including Jean Fritz's Shh We're Writing the Constitution and many books on Africa including the stunningly illustrated story of Sundiata Lion King of Mali for fifth graders a version of Shakespeare's A Midsummer Night's Dream that retains much of the original language but condenses the play for reading or performance by young students and Michael McCurdy's Escape from Slavery The Boyhood of Frederick Douglass for sixth graders an eloquent retelling of the Iliad and the Odyssey and the well written American history series A History of US and many many more

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictive terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Children Beware! Filipa Antunes, 2020-02-07 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America's pillar ideals of family and childhood

innocence but also the very foundation of the horror genre s identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children s horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children s horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture s adaptation to pre adolescence Each important children s horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise
