*Witches Academy the Series Book One* B. T. Woods,2017-04-19 In the modern age of science and technology we doubt anything that can not be explained logically. What happens when the past, present and future collide, tangled in a web of magick? Rayven Skylah and the other initiates will soon find out as they are thrown into the midst of ancient magick and broken oaths that will make them question everything they have ever known and form a bond between them to withstand the ages. Follow the initiates of Witches Academy on their journey to find the source of this power and the power hidden deep within themselves. *Freshman Witch* Katie French, Ingrid Seymour,2019-04-18 Of course magic is real. Everybody knows that. Since it came out on the news that Supernaturals exist I've heard they can do spells, shapeshift, live forever, you name it. Wonderful right? Whatever. In my world where I'm homeless and spend my time avoiding rats and meth heads, magic sounds like major BS. But when I'm accused of stealing and they're about to arrest me, the item I took disappears from my hand as if by magic. WTF. Just like that the Supernatural Academy swoops in and recruits me. But I don't belong there and everyone else agrees including Rowan Underwood, this rich and annoyingly handsome warlock who has it in for me. He's investigating the theft of magical artifacts and he thinks I'm involved. Seriously? I just got here. But I can't worry about that not while dead kings try to drain my essence or a spell from these angry pixie minotaurs sends my hair follicles into overdrive until I look like Cousin It. Yet I can't avoid Rowan and while I learn enough magic to stay alive I also need to keep myself from falling for a guy who's clearly my worst decision ever. You'll love this magical academy book because everyone wants a chance to become who they are truly meant to be. Get it now. *Supernatural Academy* Katie French, Ingrid Seymour,2019-11-15 One minute I had the cuffs I had magic I could fight. The next it was all gone. The final semester at the

Supernatural Academy should be about enjoying my last months of college Instead someone has poisoned the fae realm killing tens of thousands and throwing those who survived to our doorstep And worse no one knows how or why So instead of late night study sessions and crazy parties my friends and I must track down the person responsible for these atrocities The one problem I m not who I used to be I m not even whole How can I help stop the world s most nefarious criminal with no magic and part of myself missing And how can I do it without losing myself entirely You will love the final book in this HOT magical academy series with kick ass action sizzling romance and earth shattering magic that will make you tingle in all the right places Get it now     *Enchanter Witch Academy* Paige Stonebank,2020-04-18 I ve always been an outcast a freak a girl with too much power and too little control I ve been a coward hiding behind the people around me in order to remain in the shadows The fire within me grows stronger every day and it is starting to consume me My magic is too much for a mortal body to handle alone I have to find a way to control it or lose my life to the flames But when mysterious things begin happening with my magic things that no one thought possible a dark power makes itself known too The Dark Brotherhood has only one weakness me They are after me and they will stop at nothing until my head is on a spike There are few people I can trust and even they might betray me I have to think clearly about who I can trust and who I can t What will happen if I make the wrong decision And what will happen when a new potential ally enters the picture Do I take a risk and put my life in his hands or do I send him on his way Only time will tell Fans of paranormal enchanting and exciting romance novels must not miss out on this unique and epic tale You won t believe what s inside Add to Cart fall into a world of your wildest fantasies     *Black Magic Academy* Emily Martha Sorensen,2012-01-13 Mildred doesn t like black magic But her mother was once valedictorian of Black Magic Academy so her aunts insist she needs to follow in her footsteps and become one too Mildred doesn t want to be part of the popular crowd Nor does she care about her death enemy And she certainly has no interest in murderous spells But if the teachers catch on that she s actually a good witch well they don t react well to that kind of ignominy What s the only good witch in a school of wicked witches to do     *The academy* ,1894
