*The Age of Fitness* Jürgen Martschukat, 2021-01-22 We live in the age of fitness Hundreds of thousands of people run marathons and millions go jogging in local parks work out in gyms cycle swim or practice yoga The vast majority are not engaged in competitive sport and are not trying to win any medals They just want to get fit Why this modern preoccupation with fitness In this new book Jürgen Martschukat traces the roots of our modern preoccupation with fitness back to the birth of modern societies in the eighteenth century showing how the idea of fitness was interwoven with modernity's emphasis on perpetual optimization and renewal But it is only in the period since the 1970s he argues that the age of fitness truly emerged as part and parcel of our contemporary neoliberal era Neoliberalism enjoins individuals to work on themselves to cultivate themselves in body and mind Fitness becomes a guiding principle of social life an era defining network of discourses and practices that shape individuals actions and self conceptions The pursuit of fitness becomes a cultural repertoire that is deeply ingrained in our institutions and way of life This wide ranging book shows how deeply fitness is inscribed in modern societies and how important fitness has become to success or failure recognition or exclusion in a society that sets great store by self responsibility performance market and competition It will be of great value not only to those interested in sport and fitness but also to anyone concerned with the conditions of success and failure in our societies today

*Working with Trans Voice* Matthew Mills, Sean Pert, 2023-07-20 This book is an essential resource for those new to developing and established in the field of trans voice Presented in a workbook style and packed with practical exercises for the practitioner to engage with it explores and explains how to work with clients effectively while also developing vital cultural knowledge and fundamental skills in voice coaching that will help the practitioner develop insight into and support each person's unique

journey Matthew Mills and Sean Pert draw on their wealth of experience to encourage the reader to consider what gender means to them and how gender performance may be taken for granted by people whose gender identity aligns with their sex assigned at birth The key learning points of this book are illustrated by guiding comments from trans and non binary people with lived practical and clinical experience Based on the latest expert practice and informed by the experiences of the clients themselves Working with Trans Voice allows speech and language therapists and other professionals interested in supporting trans and gender diverse people to develop the confidence to work with their clients in partnership and solidarity
