

A woman with long brown hair, wearing a dark polo shirt with a small circular logo on the chest, is seated in a flight control room. She is wearing a headset and holding a telephone receiver to her ear with her right hand. Her left hand is resting on the back of her chair. In the background, several other people are working at their stations, each equipped with multiple computer monitors. The room is dimly lit, with the screens providing most of the light.

Thomas Browne,2012-08-07 Sir Thomas Browne is one of the supreme stylists of the English language a coiner of words and spinner of phrases to rival Shakespeare the wielder of a weird and wonderful erudition an inquiring spirit in the mold of Montaigne Browne was an inspiration to the Romantics as well as to W G Sebald and his work is quirky sonorous and enchanting Here this baroque master s two most enduring and admired works Religio Medici and Urne Buriall appear in a new edition that has been annotated and introduced by the distinguished scholars Ramie Targoff and Stephen Greenblatt

author of the best selling Will in the World and the National Book Award winning The Swerve In Religio Medici Browne mulls over the relation between his medical profession and his profession of the Christian faith pondering the respective claims of science and religion questions that are still very much alive today The discovery of an ancient burial site in an English field prompted Browne to write Urne Burial which is both an early anthropological examination of different practices of interment and a profound meditation on mortality Its grave and exquisite music has resounded for generations
