Raymond, 2011-08-09 Based on refractions of earlier beliefs modern angels at once terrible and comforting frighteningly other and reassuringly beneficent have acquired a powerful symbolic value This interdisciplinary study looks at how humans conversed with angels in medieval and early modern Europe and how they explained and represented these conversations **Conversations with an Angel Named Bill** Michael Hanian, 2014-05-16 One day Max meets the angel Bill who is on an assignment They start a series of conversations that cover a variety of issues and become friends

Conversations with Angels Terrie Marie, 2017-01-18 *Visitations to Heaven and Talking with Angels* Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing all of Heaven s beauty and glory my answer would have been an emphatic no However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of

animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural
