eater into a foodie kid There are 30 yummy dishes in this book that picky kids would not say no to This book will help you to put an end to the insanity Serve up these delicious colorful and healthy foods to your picky kids *For Kid's Only Cookbook* Allison P. Lowery,2013-04-02 I came up with For Kid s Only Cookbook because like so many I have young kids that at times can be picky eaters So with the help of mine and my friend s kids I came up with recipes that anyone s kids would love Each section is a different color so you and your children will enjoy reading the book together and trying out the recipes I like to have recipes where the kids can also participate in the cooking What makes this book different from any other kids cookbook is I will show you variations of the same dish and a lot of the recipes you do not have to make from scratch It is filled with things that you can pick up at your local grocery store There will be neat food ideas and a lot of the recipes are good for kids and they will never know it For my parents some of the recipes can be jazzed up for you just use your imagination I hope that you enjoy For Kid s Only *Healthy Recipes for Picky Eaters* Martha Stephenson,2017-06-27 Feeding your child wholesome and nutritious meals can be a parent s greatest challenge if you happen to have a picky eater You may find it easier to let them devour that hot dog for breakfast just so you can tell yourself at least they ate Sometimes the food looks too healthy for your child or the colors and textures turn them off There is a solution to making your kid feel like they are eating the unhealthy food they love while still getting proper nutrition into their stomachs One of the reasons some kids won t eat is because they are not part of the cooking process so there isn t a connection with the meal in front of them Even though cooking with your child can be time consuming and very messy it will teach them a valuable skill and they are more likely to eat what they have cooked If you allow them to make the decisions of what ingredients to put in the food that is even better You will find that your child will want to take part in more meals if they are one of the chefs Each of the recipes found in this book has activities that your child can do on their own to help out with the preparation The rule of thumb with each one is the messier the better Cooking is a creative outlet and doesn t follow a neat and clean path so getting cheese on your face or flour on your clothes is all part of the process You may want to invest in a special apron and chef s hat for your child to make the experience even more fun
