Cooking Practical Directions Economical Every Day:

A Course of Lectures on the Principles of Domestic Economy and Cookery Juliet Corson, 2019-12-06 In *A Course of Lectures on the Principles of Domestic Economy and Cookery* Juliet Corson presents a pioneering exploration of domestic science in late 19th century America. The text combines didactic lectures with practical insights illuminating the multifaceted nature of household management and culinary skills. Corson's approach is characterized by clarity and accessibility, making complex topics understandable for her audience. The book not only serves as a guide to effective cooking and resource management but also reflects the era's evolving views on women's roles in domestic spheres and the burgeoning field of nutrition. Juliet Corson, a formidable figure in the domestic science movement, utilized her expertise in culinary arts and education to address the societal expectations placed upon women. Her background as a cooking instructor and her passionate advocacy for better nutrition and cooking practices informed her lectures, aiming to empower women through education. Corson's work is a testament to the transformative potential of domestic economy, advancing both practical knowledge and the social standing of women in her time. Recommended for readers interested in food history, gender studies, and domestic science, this book not only offers valuable insights into historical cooking practices but also serves as a reminder of the importance of domestic knowledge in cultivating a well-rounded society. Corson's work remains relevant today, encouraging readers to appreciate the art and science of cooking and the vital role it plays in our lives. [The Cooking Manual of Practical Directions for Economical Every-Day Cookery](#) Juliet Corson, 2018-09-20 Reproduction of the original *The Cooking Manual of Practical Directions for Economical Every Day Cookery* by Juliet Corson **The Cooking Manual of Practical Directions for Economical Every-Day Cookery** Juliet Corson, 2015-06-17 Excerpt from *The Cooking Manual of Practical Directions for Economical Every Day Cookery*. This book is intended for the use of those housekeepers and cooks who wish to know how to make the most wholesome and palatable dishes at the least possible cost. In cookery this fact should be remembered above all others: a good cook never wastes. It is her pride to make the most of everything in the shape of food entrusted to her care and her pleasure to serve it in the most appetizing form. In no other way can she prove her excellence. For poor cooks are always wasteful and extravagant. Housekeepers can safely make this book a guide for those of their cooks who are willing to learn new and good methods of cooking familiar foods. Lest it should be said that undue preference is given to foreign ways of cooking, the author begs her readers to remember how much of the success of any dish depends upon its taste: if it is well flavored and palatably seasoned, the eaters of it do not closely criticise its component parts.
