Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "I".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

**Creative Literacy Story Plans for English GCSE Book One** Amanda J. Harrington, 2019-03-30. Creative Literacy Story Plans for English GCSE are an original method to help students face the challenges of the new English Language GCSE creative writing fiction questions. Each section of the book has a Speech and a Structure task which can be combined. Students use the Speech and Structure scenarios to create stories which include set characters. Many students struggle with the basics of writing a story for their exams and then also have a seemingly endless list of requirements from school to help them pass the stringent new guidelines. This book takes away the pressure and allows students to work through lots of story types and scenarios. This means they find out their own strengths and weaknesses without being expected to add every vital component of this section of the exams.
