Cuban Studies Since The Revolution:

Cuban Studies Since the Revolution Damián J. Fernández, 1992 From the Foreword In the face of the collapse of socialism and the withering away of Communist parties throughout Europe Fidel Castro's resistance to this change will intensify attention on the country's future This volume contributes to the scholarly dimension of concern about Cuba Mark B Rosenberg director Latin American and Caribbean Center Florida International University Scholarship of very high quality It illustrates the futility of breaking up the study of Cuba exclusively into pre and post 1959 periods offering an integrated evolutionary approach Juan M del Aguila Emory University In recent years few countries have generated so much debate and controversy as Cuba Since the Cuban Revolution of 1959 discussions have been characterized by polemics and scholars who specialize in that country often have talked past rather than to each other according to Fernández For the first time in the past three decades we now have a comprehensive discourse on the epistemology of Cuban studies This work evaluates the key areas of inquiry and research in the field documenting the unresolved issues and offering points of departure for future study of Cuba in particular and for social science research in general Leading Cuban specialists address the disciplines of political science international relations economics literature history and sociology While the authors represent multiple vantage points they share a sense of the need to reevaluate their approaches to the sociopolitical reality of the island Uncertainty in the world necessarily translates into uncertainty for us Fernández writes Long gone are the simple and universalistic explanations for a confused and confusing reality This book is part of an ongoing revitalization of our area of study Contributors Isabel Castellanos Jorge I Domínguez Susan Eckstein Damián J Fernández Roberto González Echevarría Peter J Johnson Anthony P Maingot Rosa Q Mesa Carmelo Mesa Lago Silvia Pedraza Lisandro Pérez Louis A Pérez Jr Gustavo Pérez Firmat Jorge F Pérez López Marifeli Pérez Stable Gerald E Poyo Rhoda P Rabkin Sergio G Roca Rebecca Scott Damián J Fernández is director of the graduate program in international studies and assistant professor of international relations at Florida International University in Miami He is the author of *Cuba's Foreign Policy in the Middle East* and editor of *Central America and the Middle East The Internationalization of the Crises* *The Revolution from Within* Michael J. Bustamante, Jennifer L. Lambe, 2019-02-14 What does the Cuban Revolution look like from within This volume proposes that scholars and observers of Cuba have too long looked elsewhere from the United States to the Soviet Union to write the island's post 1959 history Drawing on previously unexamined archives the contributors explore the dynamics of sociopolitical inclusion and exclusion during the Revolution's first two decades They foreground the experiences of Cubans of all walks of life from ordinary citizens and bureaucrats to artists and political leaders in their interactions with and contributions to the emerging revolutionary state In essays on agrarian reform the environment dance fashion and more contributors enrich our understanding of the period beginning with the utopic mobilizations of the early 1960s and ending with the 1980 Mariel boatlift In so doing they offer new perspectives on the Revolution that are fundamentally driven by developments on the

island Bringing together new historical research with comparative and methodological reflections on the challenges of writing about the Revolution The Revolution from Within highlights the political stakes attached to Cuban history after 1959 Contributors Michael J Bustamante Mar a A Cabrera Ar s Mar a del Pilar D az Casta n Ada Ferrer Alejandro de la Fuente Reinaldo Funes Monzote Lillian Guerra Jennifer L Lambe Jorge Macle Cruz Christabelle Peters Rafael Rojas Elizabeth Schwall Abel Sierra Madero **Cuban Modernism** Victor Deupi, Jean-Francois Lejeune, 2021-02-08 In the 20th century modern architecture thrived in Cuba and a wealth of buildings was realized prior to the revolution 1959 and in its wake The designs comprise luxurious nightclubs and stylish hotels sports facilities elegant private homes and apartment complexes Drawing on the vernacular their architects defined a way to be modern and Cuban at the same time creating an architecture oscillating between tradition and avantgarde Audacious concrete shells curving ramps elegant brises soleils and a fluidity of interior and exterior spaces are characteristic of an airy often colorful architecture well suited to life in the tropics New photographs and drawings were specially prepared for this publication A biographical survey portraits the 40 most important Cuban architects of the era Cuban Studies 49 Alejandro de la Fuente, 2020-03-03 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish and a large book review section In publication since 1970 and under Alejandro de la Fuente s editorial leadership since 2013 this interdisciplinary journal covers all aspects of Cuban history politics culture diaspora and more Issue 52 contains three dossiers two on urban Habana and one on understandings of the Cuban Revolution in 1960s Latin America The Subject of Revolution Jennifer L. Lambe, 2024-08-27 From television to travel bans geopolitics to popular dance The Subject of Revolution explores how knowledge about the 1959 Cuban Revolution was produced and how the Revolution in turn shaped new worldviews Drawing on sources from over twenty archives as well as film music theater and material culture this book traces the consolidation of the Revolution over two decades in the interface between political and popular culture The subject of Revolution it proposes should be understood as the evolving synthesis of the imaginaries constructed by its many subjects including revolutionary leaders activists academics and ordinary people within and beyond the island s borders The book reopens some of the questions that have long animated debates about Cuba from the relationship between populace and leadership to the archive and its limits while foregrounding the construction of popular understandings It argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being Living Ideology in Cuba Katherine Gordy, 2015-06-02 A revealing look at the complicated and continual negotiation between the Cuban state and society over the meaning of socialism Cuban Studies 34 Lisandro Perez, Uva De Aragon, 2004-02-01 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field *We Are Cuba!* Helen Yaffe, 2020-04-06 The

extraordinary account of the Cuban people's struggle for survival in a post Soviet world In the aftermath of the fall of the Soviet Union Cuba faced the start of a crisis that decimated its economy Helen Yaffe examines the astonishing developments that took place during and beyond this period Drawing on archival research and interviews with Cuban leaders thinkers and activists this book tells for the first time the remarkable story of how Cuba survived while the rest of the Soviet bloc crumbled Yaffe shows how Cuba has been gradually introducing select market reforms While the government claims that these are necessary to sustain its socialist system many others believe they herald a return to capitalism Examining key domestic initiatives including the creation of one of the world's leading biotechnological industries its energy revolution and medical internationalism alongside recent economic reforms Yaffe shows why the revolution will continue post Castro This is a fresh compelling account of Cuba's socialist revolution and the challenges it faces today *The Hispanic American Historical Review* James Alexander Robertson, 1919 Includes Bibliographical section **Cuban Studies 26** Jorge I.
