*Sexual Decisions* L. Kris Gowen, 2007-03-26  
For teens too shy to talk to mom and dad about sex, author L. Kris Gowen offers them sound advice on a highly personal level, filling in some of the blanks in their knowledge about sex and relationships. Specifically designed to help young adults aged 16-19 make their own decisions about sexuality, *Sexual Decisions* is not only about the facts of sexual health but it also delves into the feelings and emotions that surround sex. The philosophy of this book is: Teens have a right to ask questions and get answers. Teens already know a lot about sex and relationships, but not all there is to know. Teens are going to make decisions for themselves about sex. Having access to information can help them make better, safer decisions. No question should be left unanswered. The information included in this book is relevant to the lives of teens but includes topics that are not often discussed. It provides an education about sex that is practical and gives teens a sense of what is going on out there in other people and the worlds of research and politics, as well as inside themselves.

**Dressed in Clover - Part 1: Un Amore** Jilla Lavalle, 2022-09-13  
My best friend, Becky, and I have been through a lot together over the course of six years. We would do anything for each other. In November 2020, when she was considering getting back with her ex boyfriend, I knew I had to take matters into my own hands. I kissed Becky.

challenging our sexuality and friendship Little did I know by the time I kissed her she had already met someone new Mark Love finds a way Love when strong enough will express itself in any and every means possible This highly erotic three part autobiography follows our lives through the challenges and triumphs of our relationship *In Praise Of Indecency* Paul Krassner, 2009-05-15 Paul Krassner's style of personal journalism constantly blurs the line between observer and participant. Nowhere is this more apparent than this collection of essays and interviews culled from his columns at AVN Online. Whether being interviewed by Susie Bright or imagining a conversation between Pee Wee Herman and Pete Townshend about their busts by overzealous cops or reminiscing about his friend Lenny Bruce Krassner shines his keen satirical mind on the so called taboos of today's society and breaks them down to show the hypocrisy of the world's culture warriors. With a biting wit and tongue firmly planted in cheek Mr Krassner reveals the absurdity of our oppressive social mores in this stark funny and ultimately thought provoking collection *She Cums First* J.
