## **Global Trend Children Bedtime Story:**

Social Marketing for Public Health: Global Trends and Success Stories Hong Cheng, Philip Kotler, Nancy Lee, 2009-11-24

Social Marketing for Public Health examines how social marketing is used as a strategy for changing health behavior in the world today. Addressing issues and trends in social marketing and public health globally, it highlights successful and measurable health behavior changing campaigns launched by the governments by a combination of the governments and citizens or by the citizens themselves in various countries. Each chapter focuses on one selected country, making the content very accessible. The text provides an in-depth and up-to-date treatment of the subject matter. **A Companion to Children's Literature** Karen Coats, Deborah Stevenson, Vivian Yenika-Agbaw, 2022-06-06 **A COMPANION TO CHILDREN'S LITERATURE**

A collection of international, up-to-date and diverse perspectives on children's literary criticism. **A Companion to Children's Literature** offers students and scholars studying children's literature, education and youth librarianship, an incisive and expansive collection of essays that discuss key debates within children's literature criticism. The thirty-four works included demonstrate a diverse array of perspectives from around the world, introduce emerging scholars to the field of children's literature criticism and meaningfully contribute to the scholarly conversation. The essays selected by the editors present a view of children's literature that encompasses poetry, fiction, folklore, nonfiction, dramatic stage and screen performances, picturebooks and interactive and digital media. They range from historical overviews to of-the-moment critical theory about children's books from across the globe. **A Companion to Children's Literature** explores some of the earliest works in children's literature, key developments in the genre from the 20th century and the latest trends and texts in children's information books, postmodern fairytales, theatre plays and more. This collection also discusses methods for reading children's literature from social justice critiques of popular stories to Black critical theory in the context of children's literary analysis.
