Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

Writers' & Artists' Yearbook 2026 Bloomsbury Publishing, 2025-07-17 The 119th edition of the indispensable bestselling guide to everything you need to know about publishing A vital resource for all writers looking to get published including authors poets and screenwriters

The Summer Melt Emily March, 2023-06-01 Indulge in this sweet summer romance bursting with small town charm in this novella by New York Times best selling author Emily March It s peak tourist season in Eternity Springs and Dana Delaney has her hands full running her ice cream parlor Scoops The last thing she needs is for her star employee to fall sick but she s in luck when a newcomer to town offers to fill in and the fact that he s sinfully handsome with a sexy Scottish accent is an added treat A list sports agent Cal Buchanan is visiting Eternity Springs to scout marriage proposal locations for a client not get distracted by the beautiful owner of the local ice cream parlor But when she s short staffed he can t resist the opportunity to dip in and help If he plays it right she might even return the favor and give him a tour of the town s most romantic destinations Will their attraction lead to a romance more decadent than Scoops Double Chocolate Toffee Crunch or will it melt away by summer s end

Pose, Wobble, Flow Antero Garcia, Cindy O'Donnell-Allen, 2024 Pose Wobble Flow presents an exciting liberatory framework for disrupting the pervasive myth that there is one set of surefire culturally neutral best practices In this new edition the authors update and expand their pedagogical model to support lifelong success for teachers of all subject areas and grade levels Providing six different teaching stances or poses that teachers can use to meet the needs of all students this popular resource offers guidance for teaching and learning in today s challenging sociopolitical climate The authors describe how teachers can expect to wobble as they adapt instruction to the needs of their students while also incorporating new insights about their own positionality and preconceptions of teaching Readers are encouraged to recognize this flexibility as a positive process or flow that can be used to address challenges and adopt ambitious teaching strategies like those depicted in this book Each chapter highlights a particular pose describes how to work through common wobbles incorporates teacher voices and provides discussion

activities for collective teacher inquiry PRAISE FOR THE FIRST EDITION In Pose Wobble Flow Garcia and O Donnell Allen remind all of us that teaching is not about following directions it s about listening to our students and paying attention to the social forces that shape their lives about learning how to navigate department school district and federal rules to benefit our students so we can keep a job while we continue to honor our core beliefs about education Linda Christensen director Oregon Writing Project Lewis Clark College Antero Garcia and Cindy O Donnell Allen have written a book about teaching that I ve been hoping someone would write They deftly provide a clear and insightful framework from which any thoughtful teacher can build a vital practice while also inserting a wealth of examples to ground the framework in working classrooms It s a must have for preservice and inservice teachers who care about their teaching Bob Fecho professor and department head University of Georgia
