Paperback Urban Fantasy Academy:

Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy *Storm of Shadows* today. But the guilty party is not who it appears. One night changed our entire world and no one knows how to set things right. I'm not even sure what that is anymore. Set amid opposing factions the Keepers must provide unity and leadership but it's hard to steer when you can't see the road ahead. The only thing for certain is doing nothing isn't an option. With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule. My fight is bigger than me and my people. If we're going to save the kids I need to unite all the different ethereals. Easier said than done. My name is Eden Everdell and if I can't rise to meet this challenge our rebellion has already lost. As a demon it's the last place I should ever step foot. But I couldn't exactly say no when they handed me an engraved invitation to attend. Access like this doesn't come around every day. My people are in peril and walking among these angels could give me what I need to save them. I just need to keep my true identity a secret. But that gets harder by the day when the lead Keeper Nate Kouri sets my heart galloping every time he draws near. Getting close to him is dangerous but I've never been one to turn down playing with fire. They think I'm a Blade Keeper, one of five elite warriors destined to defeat whatever evil rises.
