Parent's Quick Start Guide to Dyslexia James W. Forgan, Noelle Balsamo, 2023-07-28 Parent's Quick Start Guide to Dyslexia provides parents and caregivers with an immediate overview of dyslexia and steps they can take to support and encourage their child. Each chapter is packed with detailed and helpful information covering identification, public schools versus private settings, and how and when to seek professional help. Summary and resource sections at the end of each chapter give quick guidance to busy readers. Topics include a wealth of research-backed activities nurturing talent and creativity, motivating your child to read, and more. Offering straightforward, easy-to-understand and evidence-based information, this book is a go-to resource for caregivers parenting a child with dyslexia. Reading Champs Rita M. Wirtz MA, 2014-06-24 Reading is one of the most important fundamental skills that children learn. Unfortunately, many children still struggle to read proficiently, leaving parents to seek alternative educational environments and educators to seek innovative teaching methods. With that in mind, seasoned reading specialist Rita Wirtz shares a commonsense, time-tested reading guide that offers a step-by-step approach for successfully instructing the fundamentals of reading to readers of all ages. Wirtz, a language arts and reading specialist who has taught at all levels for forty years, presents mini-lessons that focus on basic phonics instruction, proven strategies, and specific skills to help students recognize words, increase reading speed and fluency, build and boost vocabulary, correct basic reading errors and difficulties, and build confidence as readers. Reading Champs provides fundamental building blocks and success secrets for any parent, tutor, and teacher with an aspiration to transform struggling readers into reading champions. **Sight Words Level 2** Lisa Gardner, 2014-05-02 Sight Words Level 2: A Sight Words Book for Preschool and Kindergarten teaches your child sight words in three easy-to-use word sets. The books in this Sight Words Book series have been organized into 5 levels. This book teaches level 2 and contains 55 sight words. As educators have found that teaching only a few sight words at a time is the best way to increase success, the book includes 3 sets of words, allowing your child to work through and master one set at a time or work through all the sets in sequence. The book features a charming character, bright colors, and large bold text to help make the learning process fun. After mastering the words in all 5 levels, your child will be a more confident beginning reader and will be ready for reading and writing in elementary school. Keep in mind, this book is set up in a quick and easy-to-use flash card format to help children quickly spell and read new words as they learn them.
