A Comprehensive Guide to Male Aesthetic and Reconstructive Plastic Surgery Seth R. Thaller, Mimi N. Cohen, 2024-06-07 This book offers an authoritative and comprehensive overview of the wide range of surgical procedures and non-invasive options for the male cosmetic and reconstructive patient. Chapters examine the full gamut of unique male aesthetic and reconstructive surgical procedures written by an interdisciplinary team of well-known and well-respected national and international contributors. The book provides an up-to-date and highly illustrated coverage of existing techniques and innovative new technologies. Chapters relay the interplay between the unique male anatomy, expectations, clinical implications, therapeutic gems, and approach to men seeking aesthetic enhancements. Each chapter highlights a concise but comprehensive description of the clinical issue, augmented by appropriate illustrations, related art works, and videos. When applicable, an interdisciplinary style utilizing the expertise of allied specialties such as dermatology, facial plastic surgery, and oculoplastic surgery are utilized. Chapters address key issues and areas not previously included in other books such as Direct excision of nasolabial folds and submental region, Facial rejuvenation, and other aesthetic procedures available to people of color. Surgery for body builders, Buried penis Management, of hyperhidrosis, HIV facial wasting, and buffalo hump. A Comprehensive Guide to Male Aesthetic and Reconstructive Surgery is a must-have resource for plastic and reconstructive surgeons to successfully manage the distinctive unique needs of the male patient.

Richard Rogers,Sabine Niederer,2025-10-01 Disinformation and so called fake news are contemporary phenomena with rich histories Disinformation or the willful introduction of false information for the purposes of causing harm recalls infamous foreign interference operations in national media systems Outcries over fake news or dubious stories with the trappings of news have coincided with the introduction of new media technologies that disrupt the publication distribution and consumption of news from the so called rumour mongering broadsheets centuries ago to the blogosphere recently Designating a news organization as fake or der L genpresse has a darker history associated with authoritarian regimes or populist bombast diminishing the reputation of elite media and the value of inconvenient truths In a series of empirical studies using digital methods and data journalism the authors inquire into the extent to which social media have enabled the penetration of foreign disinformation operations the widespread publication and spread of dubious content as well as extreme commentators with considerable followings attacking mainstream media as fake **Getting Real About**

Inequality Cherise A. Harris,Stephanie M. McClure,2022-01-07 Getting Real About Inequality is a contributed reader for undergraduate courses in Race Class Gender Social Inequality or the Social Construction of Difference and Inequality It gives instructors in these courses a set of materials to help them moderate civil productive and social science based discussions

with their students about social statuses and identities Like the book it is modeled after Getting Real About Race it is organized around myths and stereotypes that students might already believe or be familiar with through the media or popular culture A panel of expert contributors were enlisted to write short accessible essays address the same questions What is the myth or stereotype under investigation How do we know that the myth or stereotype is widespread What does the empirical data tell us and provide the same pedagogical features a summary of the research data discussion questions suggestions for further study suggested activities and assignments All of pieces in the book employ an intersectional perspective to help students see the nuanced mechanisms of power and inequality that are often lost in everyday discourse

Disney Parks and the Construction of American Identity Jennifer A. Kokai, Tom Robson, 2024-08-26 Writing in a time of heightened political anxiety and when accusations of nationalism authoritarianism and proto fascism have increasingly divided Americans into factions the authors use their influential performance studies based tourist as actor framework to unpack the ways that Disney parks and their guests co create performance of implicit Americanness in the 21st century This book argues that the roles that guests choose to perform accepting declining negotiating or overwriting scripts offered to them by the Disney theme park experience ultimately reveals much about the nature of the contemporary United States Focusing primarily on Walt Disney World in Florida and using case studies on music geography and ecology sports families and politics these chapters illuminate the always complicated and often contradictory presentations and performances of America within Disney parks in the deeply contested twenty first century
