*Conversations with God* Neale Donald Walsch,1999 When Neale Donald Walsch was experiencing a low point in his life

**Conversations with God** Neale Donald Walsch,1996-08 this paradigm shift will take great wisdom great courage and massive determination For fear will strike at the heart of these concepts and call them false Fear will eat at the core of these magnificent truths and render them hollow Yet you will not have cannot produce the society of which you have always dreamed unless and until you see with wisdom and clarity the ultimate truth that what you do to others you do to yourself what you fail to do for others you fail to do for yourself that the pain of others is your pain and the joy of others your joy that when you disclaim any part of it you disclaim a part of yourself Now is the time to reclaim yourself Now is the time to see yourself again as Who You Really Are and thus render yourself visible again For when you and your true relationship with God become visible then We are indivisible And nothing will ever divide Us again      **Conversations with God, Book 3** Neale Donald Walsch,2020 Discover the answers to the questions of God meaning and existence This is the final book of the original three book Conversations with God series The series deals with universal truths of the highest order and the challenges and opportunities of the soul In Book 3 the dialogue expands to include more about the nature of God love and fear who we are and who we may become and the evolution of the human species that s about to take place This is an engaging and profound conversation about the culture philosophy and spirituality of highly evolved beings some of whom we call aliens or ETs in other realms of the universe and how they have learned to view life love and the pursuit of happiness CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything It encourages readers to embrace the mysteries of existence and to live each day with love and joy
