### **Write & Learn Pages: Sight Words for Preschoolers**

Rebecca Acosta, Sandra Bergin, 2019-02-13 Give your preschooler the confidence they need for reading and writing success. Write And Learn Pages Sight Words For Preschoolers book is a great tool to help your child master common sight words that they will need to know as an emerging reader. Sight words, high frequency words, core words, or even popcorn words are the words that are used most often in reading and writing. The importance of sight words can't be over exaggerated, not mastering them will really hinder your little one from reading and can severely impact his or her confidence. Sight Words For Preschoolers focuses on tracing to help your child master common sight words that they will require in their education as a young reader. Each set is complete with the sight word itself, a 2D character, step by step tracing instructions, plenty of space for practice, and even the sight word used in a sentence. Each page includes a space that will test your child's knowledge by asking them to complete the sight word without the tracing. Within the pages of Sight Words For Preschoolers, you'll find simple, concise instructions. Sight Words For Preschoolers features clear and detailed instructions to feel confident while tracing, keeping them attentive and giving them more opportunity to become familiar with these words. Letter tracing demonstrations and exercises. The first step to learning a new word is understanding how it's spelled, so naturally, Sight Words For Preschoolers includes step by step letter tracing instruction to show your little one how it's done. From the moment they put their pencil to paper, the instructions show them where to draw their lines and proper penmanship for each letter. Word tracing demonstrations and exercises for all 40 Pre K Dolch sight words. After successfully tracing the individual letters for each sight word, your child will be asked to trace entire words for each of the 40 Pre K Dolch sight words. From a and and to yellow and you, your child will get the repetition they need to master each sight word. Areas promoting independent writing. In addition to tracing each sight word, your child's skills will be put to the test by asking them to write the word without any gray lines to guide them. Mastery of sight words is important and a good indicator of that mastery is whether or not your little one can write a word independently. Fun illustrations to help learn new words. Each exercise in Sight Words For Preschoolers includes illustrations to help your child understand what each sight word is referring to. It's hard to explain that a banana is yellow for example without seeing it. In addition to boosting your child's reading comprehension, Sight Words For Preschoolers will also help your child discover new actions and interactions that they can recognize in real life. Free access to the digital version. With your physical copy of Sight Words For Preschoolers, you will find a code for the digital edition of the book. This enables you to print out new copies of every page as much as you like. This way, you can help give your child extra practice with sight words that they've struggled with and cement previous words that they have learned as well. Join our VIP Writing Club. When you join the Write and Learn Pages VIP Writing Club, you'll get access to
