Postfeminism and Contemporary Vampire Romance Lea Gerhards, 2022-05-19 In this book Lea Gerhards traces connections between three recent vampire romance series the Twilight film series 2008 2012 The Vampire Diaries 2009 2017 and True Blood 2008 2014 exploring their tremendous discursive and ideological power in order to understand the cultural politics of these extremely popular texts She uses contemporary vampire romance to examine postfeminist ideologies and discuss gender sexuality subjectivity agency and the body Discussing a range of conflicting meanings contained in the narratives Gerhards critically looks genre's engagement with everyday sexism and violence against women power relations in heterosexual relationships sexual autonomy and pleasure self empowerment and self surveillance She asks Why are these genre texts so popular right now what specific desires issues and fears are addressed and negotiated by them and what kinds of pleasures do they offer

The Vampire in Contemporary Popular Literature Lorna Piatti-Farnell, 2013-11-07 Prominent examples from contemporary vampire literature expose a desire to re evaluate and re work the long standing folkloristic interpretation of the vampire as the immortal undead This book explores the new vampire as a literary trope offering a comprehensive critical analysis of vampires in contemporary popular literature and demonstrating how they engage with essential cultural preoccupations anxieties and desires Drawing from cultural materialism anthropology psychoanalysis literary criticism gender studies and postmodern thought Piatti Farnell re frames the concept of the vampire in relation to a distinctly twenty first century brand of Gothic imagination highlighting important aesthetic conceptual and cultural changes that have affected the literary genre in the post 2000 era She places the contemporary literary vampire within the wider popular culture scope also building critical connections with issues of fandom and readership In reworking the formulaic elements of the vampiric tradition and experimenting with genre bending techniques this book shows how authors such as J R Ward Stephanie Meyers Charlaine Harris and Anne Rice have allowed vampires to be moulded into enigmatic figures who sustain a vivid conceptual debt to contemporary consumer and popular culture This book highlights the changes conceptual political and aesthetic that vampires have undergone in the past decade simultaneously addressing how these changes in vampire identity impact on the definition of the Gothic as a whole

The Last Vampire: Books 4-6 R. A. Steffan, Jaelynn Woolf, 2021-07-07 Allies are turning into enemies I have enough enemies already thanks So yesterday was Hell Literally Now I find myself asking how a day could be that terrible while also being the most amazing day of my life When I fled my safe haven in the demon realm to deliver news of betrayal and conspiracy to Rans I thought it meant I was losing everything Again Instead I've just gained the most valuable gift I could ever receive I'm hopelessly in love with the last vampire on Earth That's hardly a news flash at this point But I never expected my feelings to be returned and I've never been happier to be wrong Now he's mine and I am his Our lives are bound inextricably even unto death Of course at this rate it just might come to that The demon we thought was our most powerful ally has been using Rans for his own ends And he's been doing so for centuries Until now I thought Rans and I were on one side of a war between the demons and the Fae Turns out we're standing squarely in the middle of the battlefield and both armies are shooting at us When both sides are in the wrong who do you stand with Maybe the answer is obvious I stand with Rans and he stands with me The last vampire and the first demon Fae human hybrid Together against the world The Last
