Anyone got tips on how to help a toddler settle into a new house? Luca absolutely loves it here. But holy moly. He's struggling to truly adjust. I've tried to make it as comfortable and familiar as possible here for him. And fun. And exciting. But wow. He's still just struggling. The past week has been rough. We've had really, really good moments. And really, really hard moments. Lots of crying. Whining. Repeating a word or a sentence over and over and over. He literally wants to sit on my lap when I'm trying to pee. 😂. Very attached to me and Paul. It's exhausting. Do I just hang in there and pray he adjusts soon?? Or are there things I should do/be aware of?? 🙏🙏🙏
