## Commerce Of The Prairies:

*Commerce of the Prairies* Josiah Gregg, 2010-09-23 Gregg's book *Commerce of the Prairies* published in two volumes in 1844 was an account of his time spent as a trader on the Santa Fe Trail from 1831 to 1840 and includes commentary on the geography botany geology and culture of New Mexico Gregg wrote about local people and described Indian culture and artifacts Volume 1 of 2 **Commerce of the Prairies** Josiah Gregg, 1844 *Commerce of the Prairies* Josiah Gregg, 1954 Written as a scrupulously accurate guidebook to the prairies and as an authoritative account of the early Santa Fe trade *Commerce of the Prairies* has been a favorite of historians ethnologists naturalists and collectors of Western Americana for generations But Gregg's masterpiece is not for specialists alone its vivid descriptions of desert mirages wagon caravans Indian alarms and attacks buffalo hunts and other early Western phenomena will delight all who wish to know the country as it was before the great herds of buffalo were slaughtered and the roving Indians confined to reservations before the landscape was transformed by barbed wire domestic cattle plowed fields and modern highways Josiah Gregg a man of rare sensitivity and passionate science interest joined a caravan of traders bound for Santa Fe in 1831 and almost immediately developed a fascination for the adventure packed life of Santa Fe trader And during the ten years that he engaged in the Santa Fe trade Gregg took copious notes on the life and landscape of the American prairies and the Mexican plateau later utilizing them in *Commerce of the Prairies* This new edition faithfully follows the rare first edition to and including the maps and illustrations It will be welcomed both by readers familiar with the importance and interest of Gregg's work and by readers who have yet to discover its attraction *Commerce of the Prairies* Josiah A. Gregg, 2009-10 Josiah Gregg 1806 1850 was a merchant explorer naturalist and author of the *American Southwest and Northern Mexico* He had training in both law and medicine and practiced both with distinction He is most famous for his book *Commerce of the Prairies* which came out in two volumes in 1844 It was an account of his time spent as a trader on the Santa Fe Trail before the Mexican American War The Book established Gregg's literary reputation and he was hired as a news correspondent during the Mexican War After the war he participated in the California Gold Rush **Commerce of the Prairies** Josiah Gregg, 1845 **Commerce of the prairies or the journal of a Santa Fé trader, during eight expeditions across the great western prairies and a residence of nearly nine years in northern Mexico** Josiah Gregg, 1845 *Commerce of the Prairies* Josiah Gregg, 2001 *Gregg's Commerce of the Prairies, Or, the Journal of a Santa Fe Trader, 1831-1839* Josiah Gregg, 2003-01-30 Josiah Gregg's *Commerce of the Prairie* published in 1844 is based largely upon entries made into his own journal over the nine years that he lived in Northern Mexico and traversed the Prairie as a proprietor in the Santa Fe Trade In utilizing his entries to create this work Gregg's aim is to provide readers with an account of the history and the present condition of trade in the new west and the people of the Prairies As an amateur naturalist Gregg's work describes the plant animal and mineral resources of the area while also providing unique information on the Native American tribes of the region The maps he included were

prepared largely by himself with portions of the country which I have not been able to observe myself chiefly been laid down from manuscript maps kindly furnished me by experienced and reliable traders and trappers and also from the maps prepared under the supervision of United States surveyors Gregg's love of the area is evident in his work drawing readers in and giving them an unprecedented insight into the area and people around Santa Fe in the mid nineteenth century

**Commerce of the Prairies** Josiah Gregg, 2023-07-18 At a time when few Americans had traveled west of the Mississippi Josiah Gregg ventured out with a trading caravan on eight expeditions Along the way he met with and wrote about Native American tribes traders and fur trappers His detailed and candid descriptions of life on the frontier offer a unique perspective on the early years of westward expansion This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Commerce*
