All McNeece pre-service teachers (student teachers & interns) need to provide detailed information about the content and procedures used to teach a single lesson. All areas are addressed as part of planning and preparing for teaching.

Contact Information:
Contact information will list your name, school/organization, and e-mail address. Indicate date lesson taught.
Title:
Provide the complete lesson title.
Primary Subject Area and Grade Level:
List the primary content area for this lesson. List the beginning and ending grade levels for which this lesson is appropriate.
Overview:
Provide a brief, but complete, overview of the lesson. The overview should provide the reader with a description of the lesson's content and relationship to the Louisiana Content Standards/ Common Core State Standards. How does this lesson support the state content standards? Danielson, 3c
Approximate Duration:
State the approximate time frame for this lesson/unit. Example: 3- fifty minute class period.
Class Information:
Describe any unique characteristics of the class (consider: special needs, resources, ESL, etc.). Danielson, 1b
Common Core Learning Standard(s) Addressed:
Instructional information on the Louisiana Framework may be obtained by following these steps: 1. http://www.doe.state.la.us 2. Curriculum/Standards tab 3. Grade Level Expectations or Common Core State Standards (GLEs or CCSS depending on level of state implementation)
(CCSS) 4.NBT.3 Use place value understanding to round multi-digit whole numbers to any place. (GLE) M.4.1 Read and write place value in word, standard, and expanded form through 1,000,000.
Interdisciplinary Connections:
Provide a listing of the subject area(s), (minimum of one) in addition to the primary subject area that is incorporated in this lesson. CCSS is required for each additional content area being addressed.
Educational Technology Standards:
All lesson plans must be linked to the Louisiana K-12 Educational Technology Standards. List the standards and performance indicators that are addressed by the activities within this lesson. The Louisiana K-12 Educational Technology Standards may be located at http://www.louisianaschools.net/eds/uploads/13398.pdf .
Outcomes/Objectives:
(Objectives) What will students know and be able to do as a result of this lesson? Danielson, 1c
Technologies and Other Materials /Resources:
List all materials, handouts, resources, and technology tools (hardware, software, and websites) that are needed by the student or the teacher to execute the lesson. Technologies may include hardware, software, and websites (e.g. flipcams, iPads, iPods, ActivInspire, etc.) Materials and resources may include physical resources (e.g. books, manipulatives, supplies, etc.) and/or people resources (e.g. guest speakers, librarian, etc.). Danielson, 1d, 1e, 3c
Activities/Tasks (Lesson Procedure):
Enter the lesson procedures using numbered bullets. The procedures should clearly describe the sequence of learning activities and should identify where and how all materials, technology tools and student-created technology products, and reproducible materials/handouts are utilized in the lesson. Be very precise when explaining the teacher and student tasks during the learning activities. Danielson, 1a, 2c, 3c, 3b
Lesson Procedure:
<ul style="list-style-type: none"> • Introduction/Gain Attention <ul style="list-style-type: none"> ○ <i>E.g.: 1, 2, 3 eyes on me. Closer Reading, Grades 3-6 Nancy Boyles, 2014-02-19 Close Closer Closest Close Reading Not in a very long while has a term been freighted with so much responsibility to lead every student to a great future of college and career readiness Finally here is a book that tunes out all of the hubbub and gets down to the business of showing how exactly to get close reading right Chapter by chapter Nancy Boyles delivers astoundingly practical ideas on how to Connect close reading with other instructional practices Select rich texts and plan for initial close reading lessons Deliver initial and follow up close reading lessons Coordinate comprehension strategies and close reading Developing Mathematical Thinking Jonathan D. Katz, 2014-07-07 In this country we have done a poor job of helping students come to see the wonder beauty and power of mathematics Standards can be brought into the picture but unless we think about what it means to truly engage students in mathematics we will continue to be unsuccessful The goal of this book is to begin to change the way students experience mathematics in the middle and high school classrooms In this book you will find a theoretical basis for this approach to teaching mathematics multiple guides and questions for teachers to think about in relation to their everyday teaching and over 30 examples of problems lessons tasks and projects that been used effectively with urban students *Implementing Systematic Interventions* Hank Bohanon, Lisa Caputo Love, Kelly Morrissey, 2020-07-30 Accessibly written and specifically designed for secondary schools *Implementing Systematic Interventions* provides you with the tools you need to successfully organize for and smoothly implement schoolwide intervention strategies Discover how to Organize administrative support and leadership teams Create effective communication techniques and protocols Use effective models to select school specific priorities Support staff and students during the transition Identify desired outcomes and assess whether or not they've been achieved Featuring supplemental online resources this essential guide helps your team avoid common mistakes identify clear goals and implement successful interventions to help every student succeed Visual Literacy in the K-12 Social Studies Classroom Matt Hensley, Stewart Waters, 2023-08-25 This book combines pedagogical theory and practical strategies to help teachers foster critical thinking and cultural awareness through visual content It includes visual tools resources and lesson plans to create meaningful social studies learning experiences for K 12 students **Information and Digital Literacies** Lesley S.J. Farmer, 2015-10-08 *Information and Digital Literacies A Curricular Guide for Middle and High School Librarians* is a practical guide to help school librarians design and deliver effective instruction that addresses the knowledge skills and dispositions of information and digital literacies This curricular guide from one of America's foremost experts in this area will help librarians prepare students for college and careers It provides systematic instruction about conducting research and using integration as stated in the Common Core complying with state and federal mandates for digital safety competence curriculum and recognizing the instructional role of school librarians It should be noted that canned programs particularly for digital safety exist but they are not aligned with other school standards and they do not reflect the unique communities of

learners let alone address the need to collaboration and articulation The ready to implement curricular guide features instructional design strategies model middle and high school curriculum including a scope and sequence stand alone courses units of instruction and sample learning activities and ties to new AASL and ACRL information literacy standards ISTE technology standards 21st Century Partnership framework and Common Core State Standards **Assessment for Learning** Eileen Dial,2016-04-06 This book guides teachers as they develop and analyze meaningful assignments that can be used as formative assessments in the classroom This system is easy and will result in relevant data to use for differentiation The assessments are directly based on the work of the classroom rather than developed by an outside entity They reflect the real work of the classroom and can be used to provide students parents and administrators with specific targeted feedback about the learning In addition teachers are guided in the design of differentiated assignments to help their students reach the grade level standards Specific real world examples that can be easily replicated Structures for analyzing student work and differentiation instruction Process will result in meaningful assessment pieces to monitor student learning Perfect for a school or grade level team Guided reflection and application in each chapter *Illinois Reading Council Journal* ,2017
