**Auténtico** Robert Rodriguez, Andres Tomas Tapia, 2017-08-15. Latinos are on the way to being one third of the U.S. population by 2050. They're changing the country's talent marketplace and political landscapes in unprecedented ways. So why is it that there are so few Latino executives and senior leaders? It's what the authors call the 4% Shame. The low percentage of Latino corporate executives today. Autentico: The Definitive Guide to Latino Career Success. Digs deep to understand the external forces of conscious and unconscious biases and the internal forces that create tensions for many Latinos about whether to assimilate, opt out, or double down on their cultural identities in their quest to get ahead. Insights have been gleaned from in-depth interviews with twenty highly successful Latino and Latina Boomer executives as well as from focus groups with dozens of GenX and Millennial Latinx leaders. They're synthesized and interpreted through the lenses of the authors' two very different personal experiences as Latino leaders in corporate America.

**Transformational Sales Leadership** Christine A. Eastman, Phill McGowan, Beth Rogers, 2024-04-26. Transformational Sales Leadership. Sales Leader Perspectives offers viewpoints from 12 leaders across the global sales industry, all of which challenge conventional sales models and promote visionary ways of thinking about sales and leadership. The leaders who share their professional stories in the book are from organizations including SAP, Google, Nationwide, US, and Royal Caribbean, as well as their own practices, and they represent a new breed of salespeople who are increasingly sought after by organizations which need to transform their practices. They run teams, drive analytics, and improve operational excellence, and their careers rise or fall on getting the right KPIs. Their stories address solutions to age-old sales problems, but they bring a new perspective to the sales function in the digital age. The book focuses on what sales leaders need in order to be innovative. Specifically, the book shows you how to Coach sales people through disruption, Leverage the most valuable habits for success, and Provide for meaning and purpose in the hyper-connected and volatile sales industry. If you are a sales professional looking to succeed in challenging scenarios, the journeys recounted in this book demonstrate how the landscape of sales has changed and how thinking about sales differently can help you transform your career.
