**Arts in Childhood**

## **Community Favorite Myth Retelling Novel:**

Indian Popular Fiction Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validate the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous commercial success. It uncovers popular in its socio political and cultural contexts. Furthermore it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment. This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic reader driven genres is taken up here along with the millennial's fetish for romance humanized mythical retellings and the evergreen whodunnits. As its natural soulmates the anthology delves into the interstices of Indian Popular with desi local traditions folk lore community consciousness and nation building. Please note This title is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

## **Beowulf's Popular Afterlife in Literature, Comic Books, and Film**

Kathleen Forni, 2018-08-06 Beowulf's presence on the popular cultural radar has increased in the past two decades coincident with cultural crisis and change. Why By way of a fusion of cultural studies adaptation theory and monster theory Beowulf's Popular Afterlife examines a wide range of Anglo American retellings and appropriations found in literary texts comic books and film. The most remarkable feature of popular adaptations of the poem is that its monsters frequently victims of organized militarism male aggression or social injustice are provided with strong motives for their retaliatory brutality. Popular adaptations invert the heroic ideology of the poem and monsters are not only created by powerful men but are projections of their own pathological behavior. At the same time there is no question that the monsters created by human malfeasance must be eradicated

## **Twentieth-Century and Contemporary American Literature in Context**

Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials. Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present. Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing. Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters. A rich selection of primary documents and background material provides

indispensable information for student research *List of Books for School Libraries of the State of Oregon* ,1915

Political Mythology and Popular Fiction Ernest J. Yanarella,Lee Sigelman,1988-01-13 A fascinating contribution to the scholarship of both political science and literature this book explores eight major genres of contemporary popular fiction generally assumed to be essentially devoid of political content children s novels Westerns middle class fiction historical novels small town Americana sports novels American war fiction and science fiction By uncovering the often covert mythical themes and cultural symbols hidden in the plot formulas of these works many of them bestsellers the essays illustrate the debt of mass market authors to cultural and political traditions that reach back to the origins of the American Republic
