Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We'll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer's Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler's postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability *Those Who Remain* G. Michael Hopf, 2016-12-30 THE FINAL CHAPTER IN THE VAN ZANDT SAGA IS HERE The war between the Republic of Cascadia and the rogue nation Western Canada is raging With support from President Cruz in the United States Gordon Van Zandt has assembled a formidable army to march north and engage the forces of Western Canada who have occupied much of the panhandle of Idaho Gordon must defeat Jacques and his army swiftly but to do so requires a final decisive battle This battle will be do or die for Gordon and his fledgling republic but is not the only problem Gordon is facing With much of his attention focused on Jacques he must also dedicate time to a political war brewing in McCall and Olympia There he'll discover his adversary is the most cunning and cut throat of any enemy he has ever faced on the battlefield When it all ends some who've stood with Gordon will be lost and those who remain pray that their sacrifices will usher in the new world they've been fighting so hard for *The End* G. Michael Hopf, 2013-10-30 A man fights to protect his family in this postapocalyptic survival novel the first in the New World series Young Gordon Van Zandt valued duty and loyalty to country above all so after 9/11 he dropped out of college and joined the Marine Corps This idealism vanished one fateful day in a war torn city in Iraq Ten years later he is still struggling with the ghosts of his past when a new reality is thrust upon him and his family North

America Europe and the Far East have all suffered a devastating Super EMP attack which causes catastrophic damage to the nation's power grid and essential infrastructures. Everything from cell phones to cars to computers cease to function putting society at a standstill. With civilization in chaos, Gordon must fight for the limited and fast dwindling resources. He knows survival requires action and cooperation with his neighbors but as the days wear on so does all sense of civility within his community and so he must make some of the most difficult decisions of his life in order to ensure his family's safety.

Remainders of the American Century Brent Ryan Bellamy, 2021-03-08 A literary scholar examines what post apocalyptic fiction can tell us about American anxiety as a nation in decline. 36 Hours Bobby Akart, 2016-08-07 WHAT WOULD YOU DO if a voice was screaming in your head GET READY for a catastrophic event of epic proportions with no idea where to start or how or when. This is a true story it just hasn't happened yet. A new dystopian post apocalyptic fiction series from six time best selling author Bobby Akart. The Boston Brahmin series and the Prepping for Tomorrow series. The characters depicted in The Blackout Series are fictional. The events however are based upon fact. This is not the story of preppers with stockpiles of food weapons and a hidden bunker. This is the story of Colton Ryman his stay at home wife Madison and their teenage daughter Alex. In 36 Hours the Ryman family and the rest of the world will be thrust into the darkness of a post apocalyptic world. A catastrophic solar flare an EMP a threat from above to America's soft underbelly below is hurtling toward our planet. The Rymans have never heard of preppers and have no concept of what prepping entails. But they're learning while they run out of time. Their faith will be tested their freedom will be threatened but their family will survive. An EMP naturally generated from our sun in the form of a solar flare has happened before and it will happen again in only 36 Hours. This is a story about how our sun the planet's source of life can also devastate our modern world. It's a story about panic chaos and the final straws that shattered an already thin veneer of civility. It is a warning to us all never underestimate the depravity of man. What would you do when the clock strikes zero. Midnight is forever. Note This book does not contain strong language. It is intended to entertain and inform audiences of all ages including teen and young adults. Although some scenes depict the realistic threat our nation faces from a devastating solar flare and the societal collapse which will result in the aftermath it does not contain graphic scenes typical of other books in the post apocalyptic genre. The Contemporary Post-Apocalyptic Novel Diletta De Cristofaro, 2019-12-26 Traditional apocalyptic texts concern the advent of a better world at the end of history that will make sense of everything that happened before. But what is at stake in the contemporary shift to apocalyptic narratives in which the utopian end of time is removed. The Contemporary Post Apocalyptic Novel offers an innovative critical model for our cultural obsession with the end by focussing on the significance of time in the 21st century post apocalyptic novel and challenging traditional apocalyptic logic. Once confined to the genre of science fiction the increasing popularity of end of the world narratives has caused apocalyptic writing to feature in the work of some of contemporary literature's most well known fiction writers. Considering novels by Will Self Cormac McCarthy David Mitchell Emily St John Mandel Jeanette

Winterson and others Diletta De Cristofaro frames the contemporary apocalyptic imagination as a critique of modernity's apocalyptic conception of time and history. Interdisciplinary in scope the book historicises apocalyptic beliefs by exploring how relentlessly they have shaped the modern world. **The World Hungers** Boyd Craven, III, 2016-02-16 To complete their self-sufficiency Blake and Sandra take a team to check out the area and acquire some livestock.
