Startled to discover she's not alone in the facility Avery finds other women there seemingly under the influence of strong medication behaving contentedly. Puzzled by their altered state and growing increasingly suspicious of the food and medication she's given Avery questions the true nature of the facility. Following a traumatic event Avery's dread deepens as she uncovers The Doctor's malevolent plan. Her escape becomes a race against time. Every minute spent behind these walls amplifies her fear; she's sure her life's in jeopardy. With danger lurking at every corner Avery's only hope is to outsmart The Doctor.
