Political Storms and the Federal Workforce Susannah Bruns Ali, 2025-04-10 Under today's divisive political rhetoric with direct assaults on agencies and career employees practitioners and academics need to evaluate the impacts of working in contentious political environments Encouraging a healthy discourse on what it means to work in a politicized agency Susannah Bruns Ali uses archival research paired with semi structured interviews to present a comprehensive view of how political actors and climates influence employee satisfaction and career changes To understand how the political nature of an organization impacts operations and employees we must include the volatility or turbulence that the agency operates under Ali's approach to examining turnover and turnover intent is novel in incorporating both internal and external organizational factors into an integrative theoretical framework for studying careers of public sector employees Her analytical focus builds from a theoretical framework to case studies of four agencies within the U S Department of Health and Human Services with different responsibilities task environments and histories the Centers for Disease Control and Prevention CDC the Centers for Medicare and Medicaid Services CMS the Food and Drug Administration FDA and the National Institutes of Health NIH

Political Storms and the Federal Workforce How Volatile Environments Alter Career Choices unites researchers with careerists to explore how agencies can best sustain morale and performance when elected and appointed officials undermine staff Understanding what that means for them personally and as managers and leaders will be both engaging and useful moving forward

The Death of Merit Conrad Riker, Are you tired of watching academia and social institutions being overrun by radical indoctrination and political correctness Are you concerned about the erosion of traditional values and the war on meritocracy Do you want to understand the origins and impact of cultural Marxism and how it's shaping our world today If your answer is yes to any of these questions then this book is for you **The Death of Merit** How Cultural Marxism Hijacked Education and Society is a must read for those seeking to understand How education has become a platform for radical indoctrination replacing objective truths with politically correct narratives Why students are being transformed from seekers of knowledge to agents of social change often at the expense of their education The role of identity politics in the propagation of cultural Marxism and its effects on social cohesion and intellectual discourse How scientific research is being distorted to fit progressive ideologies such as in the fields of gender and race studies The assault on traditional masculinity and its role in the advancement of cultural Marxism The destruction of the traditional family structure in favor of a more fluid and less stable societal structure Written from a redpilled rational and patriarchal perspective this book offers a provocative debunking of left wing progressive ideologies and their impact on our society If you want to understand the true nature of cultural Marxism and its subversion of education then buy this book today

Trans Games Conrad Riker, 101-01-01 They Hijacked Feminism Now They're Coming for You Ever wonder why your rights vanish while ideology trumps truth Why do

prisons house male predators with vulnerable women When did biology become a hate fact Unmask the Trojan Horse dismantling sex based protections Crush the lie that men can become women without apology Defend sports scholarships and shelters from male invasion Smash the 300M industry profiting off confused kids Resist censorship silencing dissent as bigotry Reclaim fatherhood from state enforced extinction Bury toxic feminism s war on rational masculinity Arm yourself with evolutionary truths they want banned If you re done kneeling to woke cults and crave raw unvarnished rebellion buy this book today or watch masculinity die

When Happily Ever After Fails Courtney Deane, 2024-04-09 A witty well paced and original story gimme all the Courtney Deane books with a big glass of ros please Lizzy Dent author of *The Summer Job* and *The Sweetest Revenge* Twentysomething Abigail Gardner s life is circling the drain Her parents are dead her like a brother is in love with her and her nascent career as an art teacher was fully squashed by an unfortunate viral incident involving sophomores and Spanx But just as that whirlpool feels poised to suck her down completely she s granted a second chance she lands a teaching job at Excelsior Primm one of Philadelphia s oldest and most prestigious preparatory academies Only problem is instead of teaching art she ll be stuck teaching her least favorite subject literature and her least favorite theme tragedy Tired of being stuck in her own tragic tale Abigail starts rewriting every sad ending she can get her hands on in and out of the classroom To her surprise her life soon starts to resemble the fairy tales she adores great job hot guy a career gaining recognition But when an unexpected plot twist threatens to derail her happy ending Abigail begins to realize why these conclusions are so hard to come by

Don't Knock the Hustle S. Craig Watkins, 2019-05-07 Offers a timely analysis of the sheer ingenuity and persistence of young people who cobble together the resources they need to pursue the lives and careers they want Young adults are coming of age at a time when work is temporary underpaid incommensurate with their education or downright unsatisfying Despite these challenges media scholar S Craig Watkins argues that this moment of precarity is rife with opportunities for innovation and that young adults are leading the charge in turning that into an inventive and surprisingly sustainable future As a result society is expanding its understanding of who we think of as innovators and what qualifies as innovation while wealth is spreading beyond traditional corridors of powerful tech companies venture capitalism and well endowed universities Drawing on over ten years of interviews and data Watkins reveals the radical ways in which this community of ambitious young creatives is transforming businesses from the outside in Diverse perspectives that are often ignored or silenced by major corporations are garnering public attention as women and people of color are redefining industries across the globe all from their computer screens We meet people like Prince Harvey a New York based hip hop artist who recorded his album entirely on an Apple showroom laptop screenwriter producer and actor Issa Rae who first used YouTube and Kickstarter to develop the web series that became her hit HBO show *Insecure* the Empowerment Plan a nonprofit organization created by product design student Veronika Scott in Detroit and start up companies like Qeyno Group in San Francisco and Juegos Rancheros in Austin that help make tech more accessible to people
