**The Digital Self** Comfort Alorh,2025-09-15 In an era where our lives are increasingly intertwined with digital platforms The Digital Self Redefining Identity in the Age of Social Media Virtual Worlds and AI explores the profound impact of technology on self perception social interaction and personal identity This book delves into the evolution of the digital self examining how social media online communities and virtual spaces have reshaped the way we present ourselves and engage with the world Blending psychological theories with real world examples this book unpacks the dynamics of online self expression social validation and digital reputation It navigates the tensions between authenticity and curation the pressures of social comparison and the shifting boundaries between our real and virtual identities For anyone curious about how technology influences human behavior or for those looking to understand their own digital presence more deeply The Digital Self Redefining Identity in the Age of Social Media Virtual Worlds and AI is a thought provoking and insightful journey into the future of identity in a hyper connected world [Identities and Intimacies on Social Media](#) Tonny Krijnen,Paul G.

Nixon,Michelle D. Ravenscroft,Cosimo Marco Scarcelli,2022-11-21 This edited collection illuminates the scope with which identities and intimacies interact on a wide range of social media platforms A varied range of international scholars examine the contexts of very different social media spaces with topics ranging from whitewashing and memes parental discourses in online activities Spotify as an intimate social media platform neoliberalisation of feminist discourses digital sex work social media wars in trans debates and BimboTok The focus is on their acceleration and impact due to the specificities of social media in relation to identities intimacies within the broad political sphere The geographic range of case study material reflects the global impact of social media and includes data from Belgium Canada China France Germany Greece Italy Portugal Spain Sweden and the USA This enlightening and rigorous collection will be of key interest to scholars in media studies and gender studies and to scholars and professionals of social media The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

[Producing Children](#) Peter C. Kunze,Victoria Ford Smith,2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting
